THE REGENTS OF THE UNIVERSITY OF CALIFORNIA

May 17, 2001

The Regents of the University of California met on the above date at UCSF-Laurel Heights, San Francisco.

Present: Regents Atkinson, Bagley, Connerly, Fong, Hopkinson, O. Johnson, S. Johnson, Kohn, Kozberg, Lansing, Marcus, Miura, Montoya, Parsky, Preuss, and Sayles (16)

In attendance: Regents-designate T. Davis, Morrison, and Seymour, Faculty Representatives Cowan and Viswanathan, Secretary Trivette, General Counsel Holst, Provost King, Senior Vice Presidents Darling and Mullinix, Vice Presidents Drake, Gomes, and Gurtner, Interim Vice President Gómez, Chancellors Berdahl, Bishop, Greenwood, Orbach, Vanderhoef, and Yang, and Recording Secretary Nietfeld

The meeting convened at 12:15 p.m. with Chairman S. Johnson presiding.

1. INTRODUCTIONS OF MR. ALFREDO TERRAZAS AND MR. DEXTER LIGOT-GORDON

Regent Miura introduced Mr. Alfredo Terrazas, who will become an alumni Regent-designate on July 1, 2001. Mr. Terrazas is a 1974 graduate of UC Berkeley and holds a law degree from the University of Santa Clara. He is a Deputy Attorney General representing the Medical Board of California. Mr. Terrazas has served in a number of capacities for the California Alumni Association, including president, executive committee liaison to the student outreach committee, and as a member of the scholarship committee. He is president of the Multicultural Institute and in that capacity assisted in the establishment of a master’s degree in multicultural ministry at the Franciscan School of Theology.

Regent O. Johnson introduced Mr. Dexter Ligot-Gordon, who was chosen by the Special Committee to Select a Student Regent to serve as the student Regent during the 2002-03 academic year. Mr. Ligot-Gordon’s appointment will be recommended to The Regents at its September meeting, when he will begin his service as a Regent-designate. Mr. Ligot-Gordon is a junior at the Berkeley campus.

Chancellor Berdahl commented on Mr. Terraza’s dedication and service to the Alumni Association as well as the campus’ pride in the fact that Mr. Ligot-Gordon had been chosen to serve as a Regent.

2. APPROVAL OF MINUTE OF PREVIOUS MEETINGS
Upon motion of Regent Lansing, duly seconded, the minutes of the meetings of March 14 and 15 and April 3, 2001 were approved.

3. **REPORT OF THE PRESIDENT**

President Atkinson presented the report concerning University activities and individuals. Upon motion of Regent Bagley, duly seconded, the President’s report was accepted, and it was directed that notes of thanks be sent to the donors of the gifts mentioned in the report, that congratulations be extended to those faculty and staff members who have been awarded honors, and that notes of sympathy and regret be sent to the families of those whose deaths were reported.

[The report was mailed to all Regents in advance of the meeting, and a copy is on file in the Office of the Secretary.]

At the President’s invitation, Faculty Representative Cowan presented his remarks. He commented that, in approving the resolution on future admissions policies, The Regents had reaffirmed the role of the faculty in setting conditions for admission to the University of California, subject to the approval of The Regents. The faculty recognize that they face a major task in responding to resolution RE-28. The Board on Admissions and Relations with Schools (BOARS) is in the process of examining admissions procedures as well as minimal eligibility standards. Professor Cowan stressed that while the faculty will move as expeditiously as possible in responding to the resolution, it will not be rushed into a thoughtless recommendation. If necessary, BOARS and other Senate groups will work during the summer. The Office of the President has agreed to provide support to systemwide Senate committees. The intention is to bring a recommendation to The Regents in the fall if possible. An attempt will be made to meet the deadline to complete the admissions review by the end of calendar year 2001.

Regent Connerly supported the comments made by Faculty Representative Cowan, agreeing with the need for a careful review of the admissions process. He did not perceive that RE-28 committed the faculty to a deadline.

4. **RESOLUTION IN APPRECIATION—S. STEPHEN NAKASHIMA**

Upon motion duly made and seconded, the following resolution was approved:

WHEREAS, the Regents of the University of California wish to express their sincere regret upon the untimely resignation from the Board of S. Stephen Nakashima, a valued colleague who has served The Regents and UC with unflagging dedication and loyalty since 1989; and

WHEREAS, throughout his tenure on the Board of Regents, he has given generously of his knowledge, experience, and legal expertise as vice chairman of the Board, as chair of the Committee on Audit, as chair and vice chair of the Committees on Grounds and Buildings and
Investments, and as a member of the Committees on Educational Policy, Finance, and Oversight
of the Department of Energy Laboratories; and

WHEREAS, he has consistently brought a thoughtful and informed perspective to discussion of the
many vital issues that have faced the Board during his tenure, working diligently for the long-term
interests of the University and serving the people of California in an exemplary manner; and

WHEREAS, after earning a bachelor’s degree in 1948 from the Berkeley campus and a law
degree in 1951 from Boalt Hall, he upheld the highest standards of the legal profession in a
successful private practice and has distinguished himself as a member of the California State Board
of Medical Examiners, as national vice president of the Japanese Americans Citizens League, and
as a member of the San Jose chapter of the American Cancer Society, the University of California
Japanese Alumni Association, the Boalt Hall Law School Alumni Association, and the National
Conference of Christians and Jews; and

WHEREAS, he has been a dedicated alumnus of the University and has always taken a lively
interest in its well-being, firm in his commitment to help the University maintain the excellence of
its endeavors and its stature as a world-class institution of learning;

NOW, THEREFORE, BE IT RESOLVED that the Regents of the University of California do
hereby express to S. Stephen Nakashima their heartfelt gratitude for his service to the Board and
his exceptional devotion to the University;

AND BE IT FURTHER RESOLVED that the Regents extend to Steve their warmest and
affectionate good wishes and direct that a suitably inscribed copy of this resolution be presented
to him as a lasting symbol of the Board’s high regard and enduring friendship.

5. RESOLUTION IN APPRECIATION–JUSTIN W. FONG

Upon motion duly made and seconded, the following resolution was approved:

WHEREAS, on June 30, 2001, Justin W. Fong will complete his term as the twenty-sixth student
Regent, having carried out his responsibilities with notable thoughtfulness, enthusiasm, and loyalty
to the University; and

WHEREAS, as an undergraduate student at UC Berkeley where he was a Woodrow Wilson
Public Policy Fellow, and as a graduate student in public policy at UCLA, he has combined
exceptional academic achievement with a strong commitment to improving the quality of campus
life, working diligently on behalf of affordable housing for students, staff, and faculty, undergraduate
health insurance, and expanded K-12 outreach programs, while also giving generously of his time
and talents as a coordinator for the UC Berkeley Educational Mini-grants Program, a member of
Berkeley’s Leadership Education Development Task Force, an intern for the UC Berkeley Office of Asian Pacific American Student Development, and an outreach recruitment associate for the UCLA School of Public Policy; and

WHEREAS, he has demonstrated a passionate dedication to teaching and assisting people of all ages and backgrounds through his work as a volunteer teacher and mentor for at-risk youth, his leadership in co-founding organizations such as Diversity in Action, Project STOP, and Bridges and his involvement with Reach! Asian Recruitment and Retention Center to improve student access, recruitment, and retention, and his work with the Citizenship Rights Project where he tutored elderly Asian immigrants to help prepare them for their U.S. citizenship tests; and

WHEREAS, his deep understanding of the complex issues facing the University and his unfailing efforts to ensure that the Board’s decisions benefit the students and the people of California have been the hallmark of his tenure on the Board, where he has served with distinction on The Regents’ Committees on Educational Policy, Finance, Grounds and Buildings, and on the Special Committee to Select a Student Regent; and

WHEREAS, it is the earnest hope of his fellow Regents that he continue his valued service to the University of California in future years, and it is their expectation that the citizens of California will continue to benefit from his thoughtful advocacy on major issues of public policy;

NOW, THEREFORE, BE IT RESOLVED that the Regents express to Justin W. Fong their deep appreciation for his dedicated service to the University and their abiding respect and esteem for his many contributions to the Board;

AND BE IT FURTHER RESOLVED that the Regents transmit a suitably inscribed copy of this resolution to Justin Fong, along with their warmest wishes for success in all his future endeavors.

Regent Fong recognized the presence of his family members who were in the audience. He commented on the approval by The Regents of the rescission of the policies adopted by the Board in 1995 which ended the use of affirmative action in admissions, employment, and contracting (SP-1 and SP-2). He noted the importance of the fact that the vote had been unanimous. He believed that the action by The Regents would help to restore the public’s faith in the University. Regent Fong stressed that a chasm exists between the University community on the one hand and The Regents on the other. He believed that the Board would benefit from the input of the students, faculty, and staff who comprise the University system.

Regent Miura recalled that the committee that had recommended that Justin Fong be appointed to the position of student Regent had been informed that Mr. Fong was among the protestors who were arrested at the Board’s July 20, 1995 meeting, when resolutions SP-1 and SP-2 were adopted. She congratulated Regent Fong on achieving his goal of seeing SP-1 and SP-2 rescinded.
Regents Kohn, Seymour, T. Davis, and O. Johnson commended Regent Fong for his service, and particularly for his tenacity with respect to the rescission of SP-1 and SP-2. President Atkinson noted that Regent Fong had truly made a difference during his service to the University. He anticipated a great career for Regent Fong of which the Regents would be proud.

6. **RESOLUTION IN APPRECIATION—MARKELL W. KOHN**

   Upon motion duly made and seconded, the following resolution was approved:

   WHEREAS, Markell W. Kohn, a loyal alumnus of UC Riverside and UC San Francisco, will complete his tenure on the Board of Regents on June 30, 2001, having served with great enthusiasm, distinction, and skill as Regent-designate and Regent during the past two years; and

   WHEREAS, his experience as Chief of Oral and Maxillofacial Surgery at Children’s Hospital in San Diego, President of the American Association of Oral and Maxillofacial Surgeons, consultant to the Commission on Dental Accreditation, associate clinical professor at UC San Diego, and clinical professor at the University of Southern California has made him an invaluable contributor to the Regents’ discussions not only on health services matters but on a wide variety of educational and public policy issues as well; and

   WHEREAS, as Chair of the Committee on Health Services, he has brought his professional expertise to bear on the University’s broad role in health care, especially with regard to the UCSF-Stanford merger, while as a member of the Committees on Audit, Nominating, and Grounds and Buildings he has worked diligently to ensure that the University’s excellence is maintained in all aspects of its teaching, research, and public service; and

   WHEREAS, his deep commitment to the quality of campus life led him to seek innovative ways to improve student health care and to become an articulate and committed advocate on behalf of the University’s K-12 outreach programs, to the lasting benefit of students from underserved and low-income communities and throughout California; and

   WHEREAS, as President of the UC Riverside Alumni Association he has been instrumental in planning for the first alumni center to be built on the Riverside campus, and under his leadership as Vice President of the Alumni Associations of the University of California, the AAUC has expanded its services to the University’s ten campuses and one million alumni, forging greater University support of alumni affairs and extending alumni activities beyond the borders of California through special regional programs ranging from Chicago to Seattle;

   NOW, THEREFORE, BE IT RESOLVED that the Regents of the University of California convey to Markell W. Kohn their admiration for his accomplishments and their heartfelt appreciation for his generous service and valued contributions to the University of California as an esteemed alumnus, ardent supporter, and respected colleague;
AND BE IT FURTHER RESOLVED that a suitably inscribed copy of this resolution be presented to Mark and Teri Kohn as an expression of the Board’s warmest regard and lasting affection.

Regent Kohn observed that he had joined the Board of Regents with the best interests of the University in mind and with the hope that he might make a contribution to its continued success. In surgery, the contributions of those who came before are recognized by the expression “on the shoulders of giants.” This expression is equally applicable to the greatness of the University, which is dependent in part on the critical role of The Regents to preserve and protect and to ensure that the University’s core purpose is not subverted nor compromised. If the Board continues to do these things, the state and the society will benefit. Regent Kohn drew attention to the financial crisis that the University’s medical centers face due to changes in health care reimbursement, which have compromised the ability of the medical centers to be self supporting. He expressed the hope that The Regents would establish a focus group to analyze the issues and to initiate corrective measures. This national problem may be an opportunity for the University to provide the leadership to find solutions.

Regent Preuss noted Regent Kohn’s effectiveness in addressing the many issues which came before The Regents. He suggested that Mr. Kohn would be an excellent appointed Regent.

Regent-designate Morrison and Regents Kozberg and Seymour commented on Regent Kohn’s outstanding service to The Regents and expressed appreciation for his Chairmanship of the Committee on Health Services. Chancellor Orbach noted that two of the greatest resources of the University are its students and its alumni and expressed his gratitude to Regent Kohn for his contributions to the alumni association.

Chair S. Johnson recognized Regent Kohn’s wealth of knowledge about issues facing the University. She pointed out that alumni Regents share an extra burden through their service to the association.

7. RESOLUTION IN APPRECIATION–IRENE T. MIURA

WHEREAS, on June 30, 2001, Irene T. Miura, a steadfast alumna of the Berkeley campus, will step down from the Board of Regents, having served two outstanding terms as a Regent-designate and Regent, during which time she distinguished herself as an articulate and persuasive spokesperson for the alumni of the University and as a devoted member of the UC family; and

WHEREAS, she is only the second woman in the 129-year history of Berkeley’s California Alumni Association to serve as its president, and in her role as president of the systemwide Alumni Associations of the University of California she has performed with great distinction, aiding the Association in expanding its services for the one million alumni of the University, forging greater
University support for alumni affairs, and expanding alumni activities beyond the borders of California by establishing regional programs in New Mexico and New York; and

WHEREAS, following her graduation from Berkeley and the attainment of a master’s degree from the College of Notre Dame and a Ph.D. from Stanford University, not only has she been an active participant in the higher education community as a professor and as the Executive Assistant to the President of San Jose State University, but also she has earned a distinguished reputation for her contributions to the field of child development, all of which have proved invaluable to the Regents in their consideration of the various educational, management, and public policy issues that have come before the Board; and

WHEREAS, she has enhanced the Board’s deliberations by giving generously of her expertise and knowledge as the chair and vice chair of the Committee on Oversight of the Department of Energy Laboratories, as vice chair of the Committee on Finance, and as a member of the Committees on Educational Policy and Investments, thereby garnering the respect and appreciation of her colleagues; and

WHEREAS, through her service as a member of the advisory committee to select the first chancellor of the University of California, Merced and as a member of the Regents’ Special Committee on UC Merced, she has played a significant role in helping to create the nation’s first comprehensive research university of the new millennium;

NOW, THEREFORE, BE IT RESOLVED that the Regents of the University of California convey to Irene T. Miura their heartfelt appreciation for her staunch advocacy of and tireless devotion to the University of California and those it serves and for her noteworthy contributions to higher education;

AND BE IT FURTHER RESOLVED that a suitably inscribed copy of this resolution be presented to Irene and Neal Miura as a lasting token of the Board’s profound gratitude and friendship.

Regent Miura recalled the issues that the Board had faced during her two terms as a Regent and a Regent-designate, including the merger with and dissolution from Stanford University Hospital, the political intrigues involved with the vote on domestic partners benefits, and SP-1 and SP-2. She noted that she had attended the inaugurations of four chancellors and visited the three Department of Energy national laboratories. She expressed her appreciation at having been treated as an appointed Regent, serving in a variety of roles. Regent Miura believed that all Regents acted in the best interests of the University, even when they disagreed. She suggested that there is a tendency to take greatness for granted when one is surrounded by excellence. The faculty members who have been awarded the Nobel Prize were drawn to the University by the excellence of the student body. Regent Miura expressed her gratitude to Chancellor Bishop for his valuable help in the recent diagnosis of a serious medical condition.
Regent-designate Seymour expressed his appreciation to Regent Miura for the invaluable assistance which she had provided to him. He recognized her contributions to the University of California Alumni Associations. Regents Connerly, Kohn, Montoya, Marcus, Kozberg, and O. Johnson acknowledged Regent Miura’s many contributions to the Board of Regents.

Chair S. Johnson acknowledged the immense respect of the Regents for Regent Miura.

President Atkinson commented on Regent Miura’s dedication to the Berkeley campus as well as to the University of California as a whole. He recognized her important contributions to the development of the Merced campus.

8. REPORT OF THE COMMITTEE ON FINANCE

A. Approval of Pediatric Research Network Agreement at UCLA and UCSF

The Committee recommended that the President be given authorization to approve the formation of a Pediatric Research Network at the University of California, Los Angeles and the University of California, San Francisco and execute the Pediatric Research Network Agreement among the parties participating in the Research Network.

B. Delegation of Authority to the President to Establish Per-Unit Fees for Selected Part-Time Graduate Degree Programs

The Committee recommended that authority be delegated to the President to establish per-unit fees, equivalent to fees charged during the regular academic year, for selected part-time, State-supported, graduate degree programs.

The President will report to The Regents annually on the fee levels established for such degree programs.

C. Approval of Incremental Funding of Fixed-Price Construction Subcontracts, Lawrence Livermore National Laboratory

The Committee recommended that, as an exception to Standing Order 100.4 (dd)(1) and (8) and subject to appropriate University pre-bid concurrence and approval of the Department of Energy, the Lawrence Livermore National Laboratory (LLNL) be authorized to solicit and execute incrementally funded, fixed-price construction subcontracts at LLNL for the construction of Building 140, Sensitive Compartmented Information Facility; and Building 155, Chemistry and Materials Science Office Building. Both projects are authorized in connection with work done under the University’s master
operating contract for LLNL, where the total value of the individual subcontracts would exceed the amount appropriated for project work on a fiscal year basis.

Upon motion of Regent Preuss, duly seconded, the recommendations of the Committee on Finance were approved.
