PUBLIC COMMENT

Chairman Parsky explained that the Board had been convened as a Committee of the Whole in order to permit members of the public an opportunity to comment on University-related matters. The following persons addressed the Board:

- A. Mr. Murray Morgan stated that people in power should listen to victims of injustice. He believed that his work at the University had been discredited in order to justify his layoff.
- B. Mr. Eric Hanson, a Santa Cruz campus alumnus, commented that a policy with respect to independent study should be established that makes clear the process of evaluating a student's work. He believed that confusion about opportunities for independent study was having a negative effect on outreach to underrepresented students.
- C. Ms. Tina Park, a Los Angeles campus undergraduate, reported that the members of the UC Student Association looked forward to their relationship and collaboration with University leaders this year. Among their goals, students hope to create a plan to help make the admissions process more easily understood.
- D. Ms. Cindy Mosqueda, a Los Angeles campus graduate student, commented that the Student Compact would benefit from Regental support particularly in making the goals it sets forth concerning funding and outreach attainable.

The meeting adjourned at 8:50 a.m.
