

Additionally, the Laboratory has received approval from the DOE to distribute one percent of the special adjustment fund as an across-the-board pay increase for all LBNL employees on October 1, 2011. The remaining 0.5 percent of the special adjustment fund will be used to address equity or retention issues throughout the year.

As the DOE contractor responsible for managing and operating LBNL, the University is obligated by its contract with DOE to ensure the competitiveness and scientific excellence of LBNL without regard to the University's own financial circumstances. Among the obligations to which the University has committed in the contract is to recruit and retain the best possible scientific and administrative staff to perform the mission assigned by DOE within the level of funding provided by DOE. This is particularly challenging in the vibrant Bay Area science and technology community, where other National Laboratories and successful technology companies regularly attempt to recruit LBNL employees with offers of significantly greater compensation.

Each year LBNL must benchmark its levels of compensation against an approved list of comparator institutions. LBNL compensation is currently 4.7 percent below the market. DOE expects all its National Laboratory contractors, including the University of California, to allocate the level of funding for compensation increases that DOE authorizes on an annual basis. This action by the Regents would fulfill that obligation. Further, this increase would be paid from federal funds that may not be used for other University purposes and that may not be reallocated to supplement compensation increases for non-Senior Management Group employees at LBNL.

Recommendation

The Committee recommended approval of salary adjustments for Senior Management Group members at Lawrence Berkeley National Laboratory, other than the Laboratory Director, as proposed by the Laboratory Director and as presented in the table below.

This measure is in accordance with the approval authority guidelines and the Senior Management Group Salary and Appointment Policy, approved by the Regents at the September 2008 meeting.

All salary increases will be made by the Laboratory with funds provided by the U.S. Department of Energy's two percent salary budget allocated for fiscal year 2012, including 1.5 percent for special adjustments. The effective date of the increases is October 1, 2011.

Those salary increases that are under the authority of the President and Laboratory Director will be reported to the Regents separately.

NAME	JOB TITLE	PREVIOUS BASE SALARY	PERCENT INCREASE	NEW BASE SALARY
Simon, Horst D.	Deputy Laboratory Director	\$334,992	1.0% across-the-board	\$338,342
Krupnick, James T.	Associate Laboratory Director for Operations – Chief Operating Officer	\$326,364	1.0% across-the-board	\$329,628
Fernandez, Jeffrey A.	Management IV – Chief Financial Officer	\$284,892	1.0% across-the-board	\$287,741
Blair, Jeffrey A.	Management III – Laboratory Counsel	\$267,288	1.0% across-the-board 0.5% equity adjustment ¹	\$271,311
Keasling, Jay D.	Associate Laboratory Director for Biosciences	\$357,996	1.0% across-the-board	\$361,576
DePaolo, Donald J.	Associate Laboratory Director for Energy & Environmental Sciences	\$333,996	1.0% across-the-board 0.5% retention adjustment ²	\$339,023
Siegrist, James L.	Associate Laboratory Director for General Sciences	\$290,664	1.0% across-the-board	\$293,571
Yelick, Katherine A.	Associate Laboratory Director for Computing Sciences	\$273,996	1.0% across-the-board 0.5% equity adjustment ³	\$278,120

Except as expressly modified by the Regents above, the University's total compensation commitment for the aforementioned employees remains unchanged. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

¹ 0.5 percent equity adjustment to better align salary with market average of \$328,288 (Pearl Meyer & Partners Executive and Senior Management Survey, Top Legal Counsel aged to 04/01/12 with a three percent aging factor).

² 0.5 percent preemptive retention adjustment to retain unique talent and expertise in high demand from both private and public institutions, particularly those in the petroleum and mining industries.

³ 0.5 percent equity adjustment to better align with Associate Laboratory Director peers.

is effective October 1, 2011 through September 30, 2014. This request was in response to the reorganization of the reporting responsibilities of the Division of Agriculture and Natural Resources. This reorganization will better align administrative and programmatic responsibilities to improve organizational effectiveness. Funding for this action would come from State funds that reside in the current Vice President – ANR position.

This request includes an annual base salary of \$280,000, which is 2.1 percent above the midpoint for SLCG Grade 109 (\$274,300). According to market data provided by Mercer Consulting, the proposed base salary of \$280,000 is 4.4 percent below the 50th percentile market base salary of \$292,762 and 14.9 percent below the 75th percentile market base salary of \$328,836. Market data are from the College and University Professional Association (CUPA) 2010-11 data for the dean of agriculture position.

In November 2008, following the resignation of the former Senior Vice President – External Affairs, Vice President – ANR, Daniel M. Dooley agreed to take on the additional responsibilities of the Senior Vice President, and he has served since then in both roles. During this period, each unit retained an individual full-time equivalent employee (FTE) for each position (Senior Vice President in External Relations and Vice President in ANR, which is a unit within Academic Affairs) and each unit paid one-half the costs of Mr. Dooley's 1.0 FTE. Given the ever-increasing importance of the University's external relations needs and the recent incorporation of two additional units into the Division of External Relations, it is no longer feasible for one individual to hold both positions. Senior Vice President Dooley has proposed a reorganization in which he will resign his position as Vice President – ANR, and Ms. Allen-Diaz will succeed him as Vice President, reporting directly to the Provost and Executive Vice President – Academic Affairs. In addition to his title as Senior Vice President, Mr. Dooley will be named Senior Advisor to the President on Agriculture and Natural Resources and will continue to be available to advise Ms. Allen-Diaz, Provost Pitts, and President Yudof on issues related to agriculture and natural resources and the strategic direction of ANR.

Barbara Allen-Diaz is an effective and seasoned leader in the Division of Agriculture and Natural Resources, where she has served as Associate Vice President – Academic Programs and Strategic Initiatives since September 2009 and as Assistant Vice President – Programs since September 1, 2007. She is currently on leave from her position as a tenured faculty member in the College of Natural Resources (CNR) on the Berkeley campus, where she has worked since 1986. She has served in a number of administrative positions in the College, including Division Chair; Chair of the Department of Environmental Science, Policy and Management; Associate Dean and then Executive Associate of CNR; and Acting Dean of the College. Ms. Allen-Diaz is internationally recognized for her work in understanding ecosystem response to grazing in various rangeland ecosystems and has authored more than 160 research articles and presentations.

She is an active participant in her professional society and served on its Board of Directors, in addition to serving on various other government panels.

Recommendation

The Committee recommended approval of the following items in connection with the term appointment of and total compensation for Barbara Allen-Diaz as Vice President – Agriculture and Natural Resources, Office of the President:

- (1) Term appointment of Barbara Allen-Diaz as Vice President – Agriculture and Natural Resources, for up to three years, effective October 1, 2011 through September 30, 2014.
- (2) Per policy, an annual base salary of \$280,000 at SLCG Grade 109 (Minimum \$214,700, Midpoint \$274,300, Maximum \$333,700).
- (3) Per policy, an administrative fund for official business and other purposes permitted by University policy.
- (4) Per policy, continued participation in the UC Home Loan Program, in accordance with all applicable policies.
- (5) This appointment is at 100 percent time.

Recommended Compensation

Effective Date: October 1, 2011

Base Salary: \$280,000

Total Cash Compensation: \$280,000

Grade Level: SLCG Grade 109 (Minimum \$214,700, Midpoint \$274,300, Maximum \$333,700)

50th Percentile Market Data for Base Salary: \$292,762

Percentage Difference from 50th Percentile Market Data for Base Salary:
4.4 percent below market

75th Percentile Market Data for Base Salary: \$328,836

Percentage Difference from 75th Percentile Market Data for Base Salary:
14.9 percent below market

Funding Source: State funds

Budget &/or Prior Incumbent Data

Title: Vice President – Agriculture and Natural Resources

Base Salary: \$320,000

Grade Level: SLCG Grade 109 (Minimum \$214,700, Midpoint \$274,300, Maximum \$333,700)

Funding Source: State funds

Additional items of compensation include:

- Per policy, standard pension and health and welfare benefits and standard senior management benefits (including senior management life insurance and executive salary continuation for disability).
- Per policy, accrual of sabbatical credits as a member of tenured faculty.
- Per policy, ineligible to participate in the Senior Management Supplemental Benefit Program due to tenured faculty appointment.

The compensation described above shall constitute the University's total commitment until modified by the Regents and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

Committee on Compensation Chair Ruiz
Office of the President, Human Resources

Upon motion of Regent Ruiz, duly seconded, the recommendations of the Committee on Compensation were approved, Regents Island and Mireles (2) voting "no."

4. **REPORT OF THE COMMITTEE ON EDUCATIONAL POLICY**

The Committee presented the following from its meeting of September 14, 2011:

Endorsement of the California Cancer Research Act

The Committee recommended that the Regents endorse the California Cancer Research Act (Act), and direct the President to inform University of California constituents and supporters of the Act's benefit to the University, consistent with what is allowable under current State law, Regental policy and Presidential authority.

Upon motion of Regent Reiss, duly seconded, the recommendation of the Committee on Educational Policy was approved.

5. **REPORT OF THE COMMITTEE ON GOVERNANCE**

The Committee presented the following from its meeting of September 14, 2011:

A. *Amendment of the Schedule of Reports to the Regents*

The Committee recommended that the Schedule of Reports be amended, as shown in Attachment 1.

B. *Appointment of Member to the Investment Advisory Group*

The Committee recommended that, as an exception to policy, Investment Advisory Group member Charles Martin be reappointed to the Investment Advisory Group for a term to begin September 1, 2011 through August 31, 2015.

Upon motion of Regent Varner, duly seconded, the recommendations of the Committee on Educational Policy were approved.

6. **REPORT OF THE COMMITTEE ON GROUNDS AND BUILDINGS**

The Committee presented the following from its meeting of September 13, 2011:

A. *Determination of California Environmental Quality Act (CEQA) Compliance and Approval of Project Elements, California Memorial Stadium Seismic Corrections and West Program Improvements, Berkeley Campus*

Upon review and consideration of the environmental consequences of the proposed action, the Committee reported its:

- (1) Certification of the Final Subsequent Environmental Impact Report for the California Memorial Stadium (CMS) West Project.
- (2) Adoption of the Mitigation Monitoring Reporting Program and Findings.
- (3) Approval of the (1) temporary use of simulated crowd noise at Witter Field, (2) construction, use, and occupancy of the Athletic Service Center, (3) scheduling of one regular season football game for a Friday night, once a season, twice in a four year cycle at CMS, and (4) permanent improvement and related intensified use of Witter Field following completion of the project.

[The Environmental Impact Summary, Mitigation Monitoring and Reporting Program, and CEQA documentation were mailed to the Regents in advance of the meeting, and copies are on file in the Office of the Secretary and Chief of Staff.]

B. *Approval of Preliminary Plans Funding, Student Services Building, Merced Campus*

The Committee recommended that the 2011-12 Budget for Capital Improvements be amended as follows:

Merced: Student Services Building – preliminary plans – \$840,000 to be funded from University funds.

Upon motion of Regent Makarechian, duly seconded, the recommendations of the Committee on Grounds and Buildings were approved.

7. REPORT OF INTERIM ACTIONS

Secretary and Chief of Staff Kelman reported that, in accordance with authority previously delegated by the Regents, interim action was taken on routine or emergency matters as follows:

- A. The Chairman of the Board and the Chair of the Committee on Governance approved the following recommendation:

Appointment of Regent to Standing Committee

That Regent Makarechian be appointed to the Committee on Health Services, effective immediately, through June 30, 2012. Regent Makarechian will resign from the Committee on Finance, effective immediately.

- B. The Chairman of the Board, the Chair of the Committee on Finance, and the President of the University approved the following recommendation:

Authorization to Use Taxable Commercial Paper for the University of California's Deposit in the State Agency Investment Fund (SAIF) Pursuant to Government Code Section 16330 as Part of Senate Bill 79

That the Regents authorize inclusion of the use of taxable commercial paper (CP) for a portion of the University of California's \$1 billion deposit in the State Agency Investment Fund (SAIF) pursuant to Government Code Section 16330 as part of Senate Bill 79.

The April 2010 interim action entitled *Authorization to Include Permanent Equipment Financing as an Authorized Use of the Regents' Commercial Paper Program* be amended as follows with the understanding that all other actions related to the April 2010 authorization remain unchanged.

Additions shown by underscoring; deletions shown by strikethrough

- (1) Authorize the removal of limitations on the amount of the Regents' commercial paper (CP) program that is authorized for (1) the interim financing of capital projects and equipment, permanent financing of equipment, and financing of working capital for the teaching hospitals and other working capital needs and (2) standby/interim financing for gift-related projects and (3) use for a portion of a \$1 billion deposit in the State Agency Investment Fund (SAIF) pursuant to Government Code Section 16330 as part of Senate Bill 79. The overall \$2 billion authorized amount of the Regents' commercial paper program will remain unchanged.

C. The Chair of the Committee on Finance and the President of the University approved the following recommendations:

(1) ***Authorization to Approve and Execute Documents for North Campus Faculty Housing, Santa Barbara Campus***

- a. The President, or designee, after consultation with the General Counsel, be authorized to approve and to execute one or more leases in connection with a faculty for-sale housing project (“Project”) for a total of approximately 26 acres of Santa Barbara campus land (the “Project Parcel”), in one or more phases, to one or more nonprofit homeowners associations, on the terms hereinafter set forth, and to designate, describe and subdivide such leasehold interests as may be appropriate to create a common interest residential development under California law, consisting of up to 161 residences for sale to faculty members and staff of the Santa Barbara campus.
- b. The President, or his designee, after consultation with the General Counsel, be authorized to approve and to execute a Declaration of Covenants, Conditions and Restrictions with respect to such subdivision and to approve and execute such other leases, subleases, condominium plans, deeds and related documents as are reasonably necessary for completion and sale of residences on the Project Parcel, said documents to contain the following provisions:
 - i. The duration of such leases shall not exceed 65 years.
 - ii. Each owner of a residence shall pay monthly sublease rent for the land which shall initially not exceed \$200 per residence, subject to annual increases which shall not exceed the greater of the increase in the Consumer Price Index – Urban Wage Earners and Clerical Workers – Los Angeles – Riverside-Orange County or five percent of the previous year’s rent.
 - iii. Upon the resale of a residence, the owner shall first offer the residence to the University and to University-related persons in the priority established by the Chancellor of the Santa Barbara campus, at a price that conforms to b.v., below; provided, however, that if no such priority sale occurs during an established restricted sales period, the residence may be sold to a member of the general public, with any subsequent resale to require an offer of the residence to the University and to University-related

persons in the priority established by the Chancellor at a price that conforms to b.v., below.

- iv. The President, or his designee, after consultation with the General Counsel, may extend the terms of the leases referenced above following a determination that such extensions are in the best interests of the University.
 - v. To ensure that the North Campus residences remain affordable by members of the University community, the maximum resale prices by individual owners shall be limited to the lesser of:
 - (a) The fair market value of the residence; or
 - (b) The sum of: (i) the purchase price of the residence paid by the owner, plus (ii) the product of the purchase price of the residence paid by owner and the fractional change in whichever one of the following indices which shall result in the largest product: (x) the Consumer Price Index – Urban Wage Earners and Clerical Workers – Los Angeles – Riverside-Orange County (CPI-W-all items), or (y) the Faculty Salary Index (as published by the University of California Office of Loan Programs), plus (iii) the costs of qualified capital improvements to the residence made by the owner, but only to the extent that each such capital improvement exceeds \$2,500 in cost and was certified by the University at the time such improvement was completed, but which may be limited by a formula that takes into account either depreciation or a determination of the appraised value of such improvements, less (iv) the cost of correcting damage to the residence in excess of normal wear and tear.
 - vi. The aggregate of all loans secured by a residence shall not exceed 95 percent of the amount determined for such residence under b.v (b), above.
- c. The President, or his designee, after consultation with the General Counsel, be authorized to approve and execute amendments to the above referenced documents as may be necessary or appropriate for the management of the Project and such additional documents as may be required or are reasonably necessary to effectuate the

Project, so long as such amendments and additional documents do not materially alter the basic meaning or purposes of the provisions approved by the Regents.

- d. Approval of Recommendations a.- c. above, be determined exempt from the California Environmental Quality Act (CEQA).

(2) ***Authorization to Enter into a Transfer and Disposition Agreement to Terminate the Affiliation with the Great Valley Center***

The President, in consultation with the Office of the General Counsel, be authorized to enter into a Transfer and Disposition Agreement in connection with the termination of the affiliation between the University and the Great Valley Center (“Center”), pursuant to which the University will accept a promissory note in the amount of \$430,746.68 in exchange for the University transferring to the Center certain assets, including active contracts and grants and associated cash accounts received by the University for work being performed by the Center, and all furniture and equipment, including computers and software, located in the Center’s offices, and execute all documents necessary in connection with this action.

- D. The Chair of the Committee on Compensation and the Provost of the University, on behalf of the President, approved the following recommendations:

(1) ***Promotional Appointment of and Compensation for David M. Birnbaum as Chief Advisor and Deputy General Counsel, Office of the General Counsel***

Background to Recommendation

The Office of the President requested approval of a promotional appointment of and total compensation for David M. Birnbaum as Chief Advisor and Deputy General Counsel. Funding would include State funds. This request was in recognition of the increased scope and accountability of his role in the Office of the General Counsel (OGC).

When Mr. Birnbaum assumed additional responsibilities as Chief Advisor in addition to his former role as Deputy General Counsel, his title and classification were not changed. As Deputy General Counsel, Mr. Birnbaum’s responsibilities were limited to leading a designated legal practice group (Educational Affairs and Campus Services). In his current role of Chief Advisor and Deputy General Counsel, Mr. Birnbaum is the senior advisor in legal strategy across all practice groups within OGC and acts as the point person for substantive subject matter review for all legal issues. Further, Mr. Birnbaum functions on behalf of the General Counsel

upon request or in his absence. He represents the position of the General Counsel on a broad range of policy and legal issues to individuals and groups within the Office of the President, at the campuses, and to external organizations. Mr. Birnbaum's title of Deputy General Counsel did not accurately reflect the nature and scope of his role, nor did it align with other Senior Management Group (SMG) positions of similar scope and complexity.

In the role of Chief Advisor and Deputy General Counsel, Mr. Birnbaum will assume responsibility for a number of critical and time-sensitive projects for the Office of the General Counsel that require immediate attention. This includes strategic planning activities that must occur well in advance of the September meeting of the Board. As a result, interim action was requested.

In March 2008, the Regents approved a job and salary structure for attorneys in the Office of the General Counsel. This structure included designation of a Deputy General Counsel position, current grade of SLCG Grade 108, which would serve as legal and administrative head of one or more of the designated legal practice groups. In May 2009, David M. Birnbaum was appointed Deputy General Counsel – Educational Affairs and Campus Services. The Educational Affairs and Campus Services division handles matters concerning academic freedom, student discipline, political campaigning, Proposition 209, student affairs, Employee Assistance Program (EAP), and research compliance issues. The division also provides legal advice for UC Santa Barbara, UC Merced, and the Division of Agriculture and Natural Resources.

In recognition of his increased role, it was recommended that Mr. Birnbaum be reclassified from SLCG Grade 108 to SLCG Grade 109, and be assigned a new title of Chief Advisor and Deputy General Counsel. A base salary of \$280,000, slotted at SLCG Grade 109 (Minimum \$214,700, Midpoint \$274,300, Maximum \$333,700) was proposed for Mr. Birnbaum, which represents an increase of 12 percent from his current salary of \$250,000. The proposed \$280,000 base salary is 2.1 percent above the SLCG Grade 109 midpoint of \$274,300.

Mr. Birnbaum has been in legal practice for 34 years, the last 28 of which have been within the Office of the General Counsel. In 1983, he began his UC career as University Counsel, serving in the Litigation and Educational Affairs sections for 18 years. In 2001, he was promoted to Group Leader, Educational Affairs. In 2006, he acted as Interim Assistant Deputy General Counsel for the Oakland office for six months during recruitment for the permanent General Counsel. From 2007 until his May 2009 promotion to Deputy General Counsel, Mr. Birnbaum was Interim Lead/Acting Deputy General Counsel – Educational Affairs.

The proposed base salary of \$280,000 is based on recent market data for the Deputy General Counsel, plus a premium of 12 percent for the added responsibilities for the Chief Advisor.

Recommendation

The following items were approved in connection with the promotional appointment of and compensation for David M. Birnbaum as Chief Advisor and Deputy General Counsel in the Office of the General Counsel:

- a. Promotional appointment of David M. Birnbaum as Chief Advisor and Deputy General Counsel in the Office of the General Counsel at 100 percent time.
- b. Per policy, an annual base salary of \$280,000 at SLCG Grade 109 (Minimum \$214,700, Midpoint \$274,300, Maximum \$333,700).
- c. Reclassification of Mr. Birnbaum's position to SLCG Grade 109 (Minimum \$214,700, Midpoint \$274,300, Maximum \$333,700) to reflect the new portfolio of responsibilities and to align with market and internal comparators.
- d. Per policy, a five percent monthly contribution to the Senior Management Supplemental Benefit Program.
- e. Per policy, eligibility to participate in the University of California Home Loan Program, in accordance with all applicable policies.
- f. Effective upon approval.

Recommended Compensation

Effective Date: Upon approval

Base Salary: \$280,000

Grade Level: SLCG Grade 109

(Minimum \$214,700, Midpoint \$274,300, Maximum \$333,700)

50th Percentile Market Data: \$261,672

Percentage Difference from 50th Percentile Data: seven percent above market

75th Percentile Market Data: \$303,870

Percentage Difference from 75th Percentile Data: 7.86 percent below market

Funding Source: Common Funds (20 percent), General Funds (20 percent), Campus Recharge to OGC (50 percent), LANS, LLC Research/administrative allocation (ten percent)

Budget &/or Prior Incumbent Data

Title: Deputy General Counsel – Educational Affairs and Campus Services

Base Salary: \$250,000

Grade Level: SLCG Grade 108

(Minimum \$192,300, Midpoint \$244,900, Maximum \$297,400)

Funding Source for Fiscal Year 11-12: Common Funds (100 percent)

Additional items of compensation include:

- Per policy, continued standard pension and health and welfare benefits and standard senior management benefits (including senior management life insurance and executive salary continuation for disability).

The compensation described above shall constitute the University's total commitment until modified by the Regents and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

Office of the President, Human Resources

- (2) *Appointment of and Compensation for Shaun B. Keister as Vice Chancellor – Development and Alumni Relations and President – UC Davis Foundation, Davis Campus*

Background to Recommendation

The Office of the Chancellor requested approval under interim authority for the appointment and compensation of Shaun B. Keister, Vice Chancellor – Development and Alumni Relations and President – UC Davis Foundation, at the Davis campus. Funding for this action would come from gift fee revenue.

Mr. Keister's appointment and compensation was to begin upon approval, but no later than September 6, 2011. Mr. Keister was identified as the most qualified candidate following a national search facilitated by the executive search firm Storbeck/Pimental & Associates. This urgent request was necessary because the campus is in the midst of a major comprehensive campaign and this leadership position is crucial to its success. In addition, because Mr. Keister was a candidate in two other

searches, there was a risk that he could accept an offer from another institution if the University did not act quickly to secure a commitment with him. The campus requested an appointment salary of \$335,000 at SLCG Grade 110 (Minimum \$239,700, Midpoint \$307,200, Maximum \$374,500).

Mr. Keister has over 19 years experience in development and has worked with a broad spectrum of educational, arts, and conservation organizations throughout his career. He most recently served as Associate Vice President for Development at Pennsylvania State University, where he had supervisory responsibility for annual giving, development communications, corporate and foundation relations, donor relations, gift planning, leadership gifts, and research/prospect development. He was actively involved in the launch of *For the Future: The Campaign for Penn State Students*, a \$2 billion fundraising effort under way at Pennsylvania State University. Prior to his appointment at Pennsylvania State University, Mr. Keister served as Vice President for Development Outreach at the Iowa State University Foundation. During his 13-year tenure at the Foundation, he helped develop and launch two major fundraising campaigns, including the most recent, *Campaign Iowa State: With Pride and Purpose*, with an original goal of \$800 million. At both institutions, Mr. Keister gained broad management, strategic planning, and budgeting experience.

Mr. Keister is also active in the Council for Advancement and Support of Education (CASE). He earned his bachelor's degree, with honors and distinction, from Pennsylvania State University and his master's and doctorate degrees from Iowa State University.

The Vice Chancellor – Development and Alumni Relations and President – UC Davis Foundation will report directly to the Chancellor and function as the campus' chief fundraising officer. The incumbent will be responsible for redesigning and directing a comprehensive and dynamic development program that will enable UC Davis to maintain and enhance its reputation on the national and international stage. Four units previously in University Relations – Alumni Relations, Advancement Services, Foundation Accounting and University Development – have been reassigned to report to the Vice Chancellor – Development and Alumni Relations and President – UC Davis Foundation. UC Davis has many achievements of significant interest to the public, and the campus must be even more proactive in communicating these achievements in order to attract the talent, resources, and public support it requires for the next century.

The Davis campus launched its first major comprehensive campaign in 2005 during a time when dwindling State support made private gift giving

increasingly vital. The campaign entered its public phase on October 22, 2010 with a goal of raising over \$1 billion from 100,000 donors by 2014. UC Davis intends to use funds raised through the campaign for student scholarships and financial aid, new endowed chairs and professorships, enriched teaching and research, better patient care, improved facilities, library materials, art and scholarly collections and equipment, and to enable the campus to act on emerging opportunities.

An aggressive, focused campaign is needed to catalyze long-term growth in private support and prepare for a second, larger campaign that the campus intends to launch immediately after the first. It is for the next campaign, as much as for the current, that UC Davis needs a dynamic, engaging, and visionary leader.

This position is funded 100 percent from gift fee revenue. The proposed annual base salary of \$335,000 is 9.1 percent above the 50th percentile market data of \$307,004 and 16.1 percent below the 75th percentile market data of \$399,297.

Recommendation

The following items were approved in connection with the appointment of and compensation for Shaun B. Keister as Vice Chancellor – Development and Alumni Relations and President – UC Davis Foundation, Davis campus:

- a. Per policy, an annual base salary of \$335,000 at SLCG Grade 110 (Minimum \$239,700, Midpoint \$307,200, Maximum \$374,500).
- b. Per policy, a relocation allowance of \$83,750 (25 percent of proposed annual salary). This payment will be distributed in two installments with 50 percent paid in year one (\$41,875) and the other 50 percent (\$41,875) being paid out on September 6, 2012 if Mr. Keister is still employed by the University at that time. If Mr. Keister separates from the University within four years of his appointment, this relocation allowance is subject to the following repayment schedule: 100 percent if separation occurs within the first year; 75 percent if within the second year; 50 percent if within the third year; and 25 percent if within the fourth year.
- c. Per policy, two house hunting trips each, subject to the limitations under policy, for Mr. Keister and his spouse/partner.
- d. Per policy, a temporary housing allowance not to exceed \$12,000 for a period of 90 days to offset limited housing related expenses. If Mr. Keister leaves the University prior to the completion of one

year of service, or accepts an appointment with another University location within 12 months from his initial date of appointment, he will be required to pay back 100 percent of the temporary housing allowance.

- e. Per policy, 100 percent reimbursement of actual and reasonable moving expenses associated with relocating his primary residence.
- f. Per policy, a five percent monthly contribution to the Senior Management Supplemental Benefit Program.
- g. Per policy, an automobile allowance of \$8,916 per year.
- h. This appointment is at 100 percent time.

Recommended Compensation

Effective Date: Upon approval but no later than September 6, 2011

Base Salary: \$335,000

Total Cash Compensation: \$335,000

Grade Level: SLCG Grade 110

(Minimum \$239,700, Midpoint \$307,200, Maximum \$374,500)

50th Percentile Market Data: \$307,004

Percentage Difference from 50th Percentile Data: 9.1 percent above market

75th Percentile Market Data: \$399,297

Percentage Difference from 75th Percentile Data: 16.1 percent below market

Funding Source: Gift fee revenue

Budget &/or Prior Incumbent Data

Not available – This is a new position for UC Davis

Additional items of compensation include:

- Per policy, standard pension and health and welfare benefits and standard senior management benefits (including senior management life insurance and executive salary continuation for disability).
- Per policy, eligibility to participate in the UC Home Loan Program, in accordance with all applicable policies.

The compensation described above shall constitute the University's total commitment until modified by the Regents and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

- (3) *Reemployment of and Compensation for University of California Retired Employee Ronald A. Nelson as Executive Director – Contracts and Administration and as Facility Security Officer, Office of Laboratory Management, Office of the President*

Background to Recommendation

The Office of Laboratory Management requested approval for the reemployment of retired employee Ronald A. Nelson as Executive Director – Contracts and Administration, Office of Laboratory Management and as Facility Security Officer (FSO), Office of the President. This position is funded from non-State funds, specifically Department of Energy (DOE) contract fees earned as UC's partner share at the Lawrence Alamos National Laboratory (LANL) and the Lawrence Livermore National Laboratory (LLNL), and reimbursed costs for Laboratory Management expenses approved by the DOE Contracting Officer at Lawrence Berkeley National Laboratory (LBNL). Mr. Nelson retired from the University effective July 1, 2011 after 30 years with the University. This request was to reemploy Mr. Nelson at a 43 percent time appointment for the period August 1, 2011 through July 31, 2012.

Per University policy 2.325, *Reemployment of UC Retired Employees Into Senior Management Group and Staff Positions*, "Reemployment must be as a result of University need, such as the Retired Employee possesses skills and institutional knowledge that the hiring department cannot otherwise obtain with equal cost effectiveness, the hiring department anticipates a prolonged process for hiring a replacement, or the hiring department anticipates that the retired employee will assist a replacement to acquire necessary skills and knowledge."

Until his retirement, Mr. Nelson had been serving in the position of Executive Director for Contracts Management since 1992. Prior to that, he was Deputy Business Manager for the Lawrence Livermore National Laboratory, Assistant to the Controller and Counsel at the Los Alamos National Laboratory, and Assistant Staff Judge Advocate for Kirtland Air Force Base in Albuquerque, New Mexico. Mr. Nelson possesses skills and institutional knowledge that will be difficult for the Laboratory Management Office to replace in the near term. Mr. Nelson's responsibilities have been identified as having significant impact upon the University and are complex and public in nature.

Mr. Nelson's performance as Executive Director for Contracts Management was exceptional. He is considered the institutional expert on the DOE management and operating contracts, and is highly valued by the Laboratories, the DOE Berkeley Site Office, and across the DOE complex. His contributions to the ongoing administration of the LBNL contract and his participation in assuring the University's fiduciary responsibilities are met as a partner in Los Alamos National Security, LLC and Lawrence Livermore National Security, LLC were incomparable. He was instrumental in providing structure and framework for several projects at LBNL, including the potential second campus and is a leading member of a group that is working with DOE to develop a closeout contract that will fund future pension liabilities and potential litigation and claims.

In addition, with the retirement of FSO Willie Archie in February 2010, Mr. Nelson assumed the role of FSO and has been mentoring an Assistant Facility Security Officer (AFSO) since June 2010. This process will take one to two years while the experience and breadth of the AFSO is further developed and evaluated. Therefore, it is very important to have Mr. Nelson return to the University and resume this mentoring role, and to continue his work on the evolution of the Laboratory Management Office organizational model to support the needs of the University related to the oversight of Lawrence Berkeley National Laboratory, Los Alamos National Security, LLC and Lawrence Livermore National Security, LLC.

Recommendation

The following items were approved in connection with the reemployment of Ronald A. Nelson as Executive Director – Contracts and Administration, and as Facility Security Officer, Office of Laboratory Management, Office of the President:

- a. Appointment of Ronald A. Nelson, Executive Director – Contracts and Administration, and as Facility Security Officer (FSO), Office of Laboratory Management, Office of the President, at 43 percent time for 12 months.
- b. Per policy, appointment salary of \$224,324 (\$96,459 at 43 percent time).
- c. This appointment was effective August 1, 2011 upon approval. Per policy, any extension beyond the 12-month appointment is subject to approval by the Regents.

Recommended Compensation

Effective Date: August 1, 2011

Base Salary: \$224,324 (\$96,459 at 43 percent time)

Grade Level: SLCG Grade 106 (Minimum \$154,200, Midpoint \$195,200, Maximum \$236,100)

Funding Source: Non-State funds

Budget &/or Prior Incumbent Data

Title: Executive Director, Contracts and Administration, Laboratory Management

Base Salary: \$224,324 (100 percent time)

Funding Source: Non-State funds

Additional items of compensation include:

- Per policy, Mr. Nelson will sign the UC Retirement Plan Rehired Retiree Waiver Form that serves to decline participation in the UC Retirement System (UCRS) and allow Mr. Nelson to continue receiving his retirement annuity while receiving compensation related to this appointment.

The compensation described above shall constitute the University's total commitment until modified by the Regents and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

- (4) ***Term Appointment Extension and Total Compensation for Samuel J. Traina as Vice Chancellor for Research and Dean of Graduate Studies, Merced Campus***

The Merced campus requested action under interim authority for a term appointment extension for Samuel J. Traina as Vice Chancellor for Research and Dean of Graduate Studies effective July 1, 2011 through June 30, 2013. Funding for this action would come from State funds. This request was urgently needed because Mr. Traina's current term appointment expired June 30, 2011. It was necessary to reappoint Mr. Traina prior to the next Regents' meeting in order to maintain the uninterrupted advancement of UC Merced's research mission. He would not receive compensation in August if the term appointment was not extended. This action resulted in no change to Mr. Traina's compensation.

It was discovered on Wednesday, July 5, 2011 that Mr. Traina's appointment as Vice Chancellor for Research and Dean of Graduate Studies was a term with an end date of June 30, 2011. Vice chancellor appointments at the Merced campus are not typically term appointments and therefore no appointment tracking method was created to follow Mr. Traina's beginning and end dates. Action on this interim item was needed to ensure that there is no disruption in his regular compensation.

Mr. Traina is an effective and seasoned academic administrator and brings extensive knowledge of the campus to his current post. He joined UC Merced in 2002 as Director of the Sierra Nevada Research Institute and Professor, Natural Sciences. He was appointed Acting Vice Chancellor for Research and Dean of Graduate Studies in 2006 and has made many significant contributions to the continued development of the campus research administration infrastructure and to campus graduate programs. He has also fostered an effective collaboration with other UC campuses and the Lawrence Livermore National Laboratory. At the July 2008 meeting, the Regents approved Mr. Traina's term appointment as Vice Chancellor for Research and Dean of Graduate Studies effective July 1, 2008 through June 30, 2011. The timeframe provided the campus with academic leadership continuity and the need to progress successfully through the Western Association of Schools and Colleges (WASC) accreditation process and other significant campus milestones.

Working with the faculty, Mr. Traina increased the graduate student population from 37 to more than 240 students. Under his leadership, the first four fully authorized, stand-alone graduate groups – Environmental Systems, Qualitative Systems Biology, Cognitive and Information Sciences, and Psychological Services – were established. He also opened an operational Vivarium and Stem Cell Instrumentation Foundry, which are two core research facilities. He has worked with faculty to establish the Organized Research Unit (ORU) at UC Merced and the campus' first Natural Reserve Site. He obtained federal assurances for the use of animals and human subjects in research and established the Institutional Animal Care and Use Committee (IACUC), the Institutional Review Board (IRB), and the Conflict of Interest (COI) and Bio Safety committees. He has also obtained AAALAC⁴ accreditation for the animal research program. Through his leadership, the campus has moved toward the COEUS-KUALI model for grants submittals and management. He established a technology transfer program independent from UCOP with full authority delegated to the campus on July 2, 2011. In addition, he wrote the first graduate faculty advisor's handbook and the first graduate program review documents for UC Merced.

⁴ AAALAC International is a private, nonprofit organization that promotes the humane treatment of animals in science through voluntary accreditation and assessment programs. AAALAC stands for the "Association for Assessment and Accreditation of Laboratory Animal Care."

The campus proposed that Mr. Traina continue to receive an annual base salary of \$202,000 at SLCG Grade 106 (Minimum \$154,200, Midpoint \$195,200, Maximum \$236,100). According to market data provided by Mercer Consulting, which include data from the 2010-11 College and University Professional Association (CUPA) Administrative Compensation Survey, the proposed base salary is 19.1 percent below the 50th percentile market rate of \$249,687 and 32.8 percent below the 75th percentile market rate of \$300,579. In addition, the proposed base salary is 3.5 percent above the midpoint range for SLCG Grade 106 and 29 percent below the average base salary of \$284,388 for the Vice Chancellor – Research at the other UC campuses.

Recommendation

The following items were approved in connection with the term appointment extension of and compensation for Samuel J. Traina as Vice Chancellor for Research and Dean of Graduate Studies, Merced campus:

- a. Term appointment extension of Samuel J. Traina as Vice Chancellor for Research and Dean of Graduate Studies.
- b. Per policy, continued appointment base salary of \$202,000 at SLCG Grade 106 (Minimum \$154,200, Midpoint \$195,200, Maximum \$236,100).
- c. This term appointment is at 100 percent time and is effective from July 1, 2011 through June 30, 2013 or until a permanent appointment is made, whichever occurs first.

Recommended Compensation

Effective Date: July 1, 2011

Term Appointment base Salary: \$202,000

Total Cash Compensation: \$202,000

Grade Level: SLCG Grade 106

(Minimum \$154,200, Midpoint \$195,200, Maximum \$236,100)

50th Percentile Market Data for base salary only: \$249,687

Percentage Difference from 50th Percentile Market Data for base salary only: 19.1 percent below market

75th Percentile Market Data for base salary only: \$300,579

Percentage Difference from 75th Percentile Market Data for base salary only: 32.8 percent below market

Funding Source: State funds

Budget &/or Prior Incumbent Data

Title: Vice Chancellor for Research and Dean of Graduate Studies

Base Salary: \$202,000

Total Cash Compensation: \$202,000

Grade Level: SLCG Grade 106

(Minimum \$154,200, Midpoint \$195,200, Maximum \$236,100)

Funding Source: State funds

Additional items of compensation include:

- Per policy, standard pension and health and welfare benefits and standard senior management benefits (including senior management life insurance and executive salary continuation for disability).
- Per policy, ineligible to participate in the Senior Management Supplemental Benefits due to tenured faculty appointment.

The compensation described above shall constitute the University's total commitment until modified by the Regents and shall supersede all previous oral or written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

Committee on Compensation Chair Ruiz

Office of the President, Human Resources

- E. The Chair of the Committee on Compensation and the President approved the following recommendation:

Appointment of and Compensation for Gregory R. Leet as Vice Chancellor – University Advancement, Irvine Campus

Background to Recommendation

The Office of the UC Irvine Chancellor requested approval under interim authority for the appointment of and compensation for Gregory R. Leet, Vice Chancellor – University Advancement at the Irvine campus, at an annual base salary of \$320,000. Funding for this action would come fully from State funds.

This urgent request was necessary to provide Mr. Leet sufficient time to notify his current employer, relocate from Arizona, and begin employment in Irvine on September 19, 2011. The former Vice Chancellor – University Advancement vacated the position in August 2010.

UC Irvine conducted an exhaustive national search to fill this vice chancellorship, employing a notable search firm and a search committee consisting of various UC

Irvine stakeholders. The recruitment proved difficult; the campus conducted two full search rounds before realizing success.

Mr. Leet brings nearly 20 years of experience in higher education advancement. He is currently Vice President of Grenzebach Glier and Associates, a leading international consultant group to non-profit institutions specializing in fundraising. He has provided counsel services to the University of California, Los Angeles Health System; California State University, San Bernardino; Los Angeles Philharmonic Association; The Pew Charitable Trusts; University of San Diego; University of Southern California; Villanova University School of Law; and the Women's College Hospital Foundation.

Prior to his position at Grenzebach Glier and Associates, Mr. Leet served as Vice President of Development with the Arizona State University Foundation from 2006 to 2010. There he oversaw the University's fundraising operations, managing a staff of 69 and helping lead efforts for a planned \$1.3 billion campaign. Working with the foundation's executive leaders and the University president, he led the foundation's strategic effort to rapidly expand its fundraising capacity and activities, which saw a tripling of donor appointments within three years. Mr. Leet was also closely involved in the Foundation's work leading Arizona State University's institutional rebranding initiative, which resulted in a Council for Advancement and Support of Education (CASE) National Silver Award in special events in 2010. The foundation also received a CASE National Gold Award for its innovative advancement services program, a strategic management initiative in which Mr. Leet was a key partner.

From 1995 to 2006, Mr. Leet served Creighton University in a variety of senior management and frontline regional officer fundraising positions, most recently as Director of Principal Gifts. In this role, he formed and implemented the University's first principal gifts program, which leveraged the University's board to increase philanthropic activity and support and which raised over \$120 million in new commitments in under two-and-a-half years. Before joining Creighton, Mr. Leet was Library Campaign Director with Kansas State University, where he successfully directed a \$5 million capital campaign to expand the primary campus library.

Mr. Leet is a longstanding member of CASE and the Association of Fundraising Professionals (AFP). He holds a bachelor's degree in agricultural journalism from Kansas State University and a master's in non-profit studies from Arizona State University.

The Vice Chancellor – University Advancement serves as UC Irvine's chief advancement officer. University Advancement is responsible for creating awareness, building relationships, and generating support for UC Irvine's teaching, research and public service missions.

UC Irvine launched its Shaping the Future campaign in July 2005 and recently celebrated the milestone success of having achieved \$609 million of the campaign's overall \$1 billion goal. Through this campaign's success, UC Irvine will expand its role as a leading research and teaching institution and continue to invest in undergraduate scholarships, graduate fellowships, and critical academic support.

As the campus completes this important campaign, building private support will continue to remain a priority to support the academic and research mission of UC Irvine. Securing exceptional talent to lead these efforts is imperative. The Irvine campus is certain that Mr. Leet has the experience, track record, and leadership abilities to lead an aggressive campaign and build a fundraising and advocacy enterprise that supports campus priorities.

UC Irvine proposed a compensation package that includes a base salary of \$320,000, a relocation allowance of 25 percent (\$80,000), moving expenses, participation in the Senior Management Supplemental Benefit Program at five percent, eligibility for a UC Home Loan Program loan up to \$800,000, eligibility to purchase a home in the on-campus community of University Hills, and standard and senior management benefits. Mr. Leet's permanent residence is currently in Phoenix, Arizona. According to Sperling's cost of living comparison, Irvine is 74 percent more expensive in cost of living and 236 percent more expensive in housing than Phoenix.

The campus requested that this position be reslotted from SLCG Grade 108 to SLCG Grade 109. Five of the ten comparable positions in the UC system are slotted in SLCG Grade 109 or higher. SLCG Grade 109 has a Minimum of \$214,700, Midpoint of \$274,300, and Maximum of \$333,700.

This position is funded 100 percent by State funds. The proposed base salary of \$320,000 is 4.2 percent above the 50th percentile market salary of \$307,004 and 19.9 percent below the 75th percentile market salary of \$399,297.

Recommendation

The following items were approved in connection with the appointment of and compensation for Gregory R. Leet as Vice Chancellor – University Advancement, Irvine campus:

- (1) Reslotting of the position from SLCG Grade 108 (Minimum \$192,300, Midpoint \$244,900, Maximum \$297,400) to SLCG Grade 109 (Minimum \$214,700, Midpoint \$274,300, Maximum \$333,700).
- (2) Per policy, an appointment salary of \$320,000 at SLCG Grade 109 (Minimum \$214,700, Midpoint \$274,300, Maximum \$333,700).

- (3) Per policy, a relocation allowance of 25 percent of base salary (\$80,000). This payment will be provided in either a lump sum or two installments. If the payment is provided in a lump sum and Mr. Leet resigns from the University within four years, the repayment schedule would be as follows: 100 percent if separation occurs within the first year of employment; 75 percent if within the second year of employment; 50 percent if within the third year of employment; and 25 percent if within the fourth year of employment. Alternatively, if the payment is provided in two installments and Mr. Leet separates from the University prior to the second payment, forfeiture provisions would apply, and payment of the second installment would be forfeited.
- (4) Per policy, two house-hunting trips each for Mr. Leet and his partner, subject to the limitations under policy.
- (5) Per policy, 100 percent reimbursement of actual and reasonable moving expenses associated with relocating the primary residence, subject to the limitations under policy.
- (6) Per policy, eligibility to participate in the UC Home Loan Program, in accordance with all applicable policies and up to a loan amount of \$800,000. Participation will comply with all University/campus normal program parameters.
- (7) Per policy, a five percent monthly contribution to the Senior Management Supplemental Benefit Program.
- (8) This appointment is at 100 percent time, and the actions associated with the appointment are effective upon approval with an anticipated start date of September 19, 2011.

Recommended Compensation**Effective Date:** Upon approval**Base Salary:** \$320,000**Total Cash Compensation:** \$320,000**Grade Level:** SLCG Grade 109

(Minimum \$ 214,700, Midpoint \$274,300, Maximum \$333,700)

Additional items of compensation include:

- Per policy, standard pension and health and welfare benefits and standard senior management benefits (including senior management life insurance and executive salary continuation for disability).
- Per policy, eligibility to purchase a home in the on-campus community of University Hills.

The compensation described above shall constitute the University's total commitment until modified by the Regents and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

Submitted by: UC Irvine Chancellor Drake**Reviewed by:** President Yudof

Committee on Compensation Chair Ruiz

Office of the President, Human Resources

- F. The Chairman of the Board and President of the University approved the following recommendation:

Authorization to Waive a Credit Concentration Limitation in the University of California's Short Term Investment Pool (STIP) Guidelines to Enable the University's Deposit in the State Agency Investment Fund (SAIF) Pursuant to Government Code Section 16330 as Part of Senate Bill 79

That the Regents authorize waiver of the credit concentration limitation in the Short Term Investment Pool (STIP) Investment Guidelines to enable the University of California's \$1 billion deposit in the State Agency Investment Fund (SAIF) pursuant to Government Code Section 16330 as part of Senate Bill 79 (2011 Cal.Stat.142). As this is a one-time waiver, there will be no change to the STIP Investment Policy and Guidelines. The waiver will lapse at the final maturity of the Deposit Agreement, which is April 25, 2013, unless the Deposit Agreement is terminated at an earlier date.

8. REPORT OF COMMUNICATIONS RECEIVED

Secretary and Chief of Staff Kelman reported that, in accordance with Bylaw 16.9, Regents received a summary of communications in reports dated July 11 and August 1, 2011.

9. REPORT OF MATERIALS MAILED BETWEEN MEETINGS

Secretary and Chief of Staff Kelman reported that, on the dates indicated, the following were sent to the Regents or to Committees:

To Members of the Committee on Compensation

- A. From the President, Annual Report on Compensation for Calendar Year 2010: Deans and Faculty Administrators, and Annual Report on Compensated Outside Professional Activities for Calendar Year 2010: Deans and Faculty Administrators. (July 22, 2011)
- B. From the President, information on the addition of faculty administrator positions to be transferred from governance under the Senior Management Group Program to governance under the Academic Personnel Program. (August 2, 2011)
- C. From the President, July 2011 Bi-Monthly Transaction Monitoring Report for Deans and Faculty Administrators who have transferred from the Senior Management Group Program to Academic Titles and other full-time Faculty Administrators. (August 26, 2011)

To the Regents of the University of California

- D. From the President, advance copy of the preliminary fall 2011 California Community College transfer admission data and the preliminary fall 2011 freshman and California Community College transfer Statement of Intent to Register data. (June 29, 2011)
- E. From the Associate Secretary, copy of Regent Hime's statement made at the May 2011 Regents' meeting, sent on behalf of Regent Hime. (June 30, 2011)
- F. From the President, letter announcing the decision to step down by the Chancellor of UC San Diego. (July 5, 2011)
- G. From the President, copy of the Academic Council's adopted resolution on tuition and fees and notification of the elimination of State General Fund support for the California Postsecondary Education Commission. (July 7, 2011)
- H. From the Secretary and Chief of Staff, summary of communications received subsequent to the June 1, 2011 report of communications. (July 11, 2011)

- I. From the Secretary and Chief of Staff, press release issued regarding the Bureau of State Audits report on the University of California. (July 28, 2011)
- J. From the Secretary and Chief of Staff, summary of communications received subsequent to the July 11, 2011 report of communications. (August 1, 2011)
- K. From the Chairman, news that three individuals associated with the University of California were honored with the California Wellness Foundation's 2011 Champions of Health Professions Diversity Award. (August 8, 2011)
- L. From the President, press release announcing a \$10 million gift to the UCLA School of Law from Lowell Milken. (August 9, 2011)
- M. From the President, invitation from the Chancellor of UC Davis to the Mondavi Gala and United States premiere of Ballet Preljocaj's production of "Blanche Neige." (August 12, 2011)
- N. From the President, copy of letter sent to the chancellors announcing the resumption of merit increases as part of the University's 2011-12 budget. (August 17, 2011)
- O. From the President, letter to the Academic Council Chair regarding the report of the Academic Council Special Committee on a Plan for the University of California. (August 25, 2011)
- P. From the President, Bi-Monthly Transaction Monitoring Report – May 2011, and Report of Actions Taken Under the Delegation of Authority for Recruiting and Negotiation Parameters for Certain Athletic Positions and Coaches, Systemwide – May 2011. (August 25, 2011)

The meeting adjourned at 12:40 p.m.

Attest:

Secretary and Chief of Staff
