II. POLICY DEFINITIONS

Acting Role: An individual assuming 100% of the role and responsibilities of one of the covered positions under this policy.

Exception to Policy: An action that exceeds what is allowable under current policy or that is not expressly provided for under any policy. Any such action must be treated as an exception and must be reviewed and approved by the Regents.

Executive Officer: The University President, Chancellor, or Laboratory Director.

Top Business Officer: Executive Vice President–Business Operations for the Office of the President, Vice Chancellor for Administration, or the position responsible for the location’s financial reporting and payroll as designated by the Executive Officer.

III. POLICY TEXT

A. Approval of Automobile Allowance by the Regents

Any SMG position that is recommended to receive an automobile allowance must be submitted by the President to the Regents for approval.

B. Automobile Allowance

Designated SMG members¹ receive a monthly cash allowance from the University, the amount of which will be announced annually by the Vice President–Finance in accordance with changes in the Consumer Price Index. For the current maximum cash allowance, see *Maximum Amounts for University-Leased Vehicles and Monthly Cash Allowances*. The cash allowance is paid to the SMG member as additional taxable wages in accordance with the procedures contained in *Accounting Manual E-821, Senior Management Automobile Policy and Procedures, Section III*.

C. Reimbursement for Use of Privately-Owned Vehicle

Designated SMG members who receive an automobile allowance will not receive additional reimbursement for the first 12,000 business miles traveled in a calendar year. Only business miles in excess of 12,000 miles a year will be reimbursed. The SMG member must provide mileage log documentation that the maximum yearly mileage has been exceeded.

¹ Includes all incumbent employees who currently receive an automobile allowance but whose title is not designated for an allowance under this policy.

Senior Management Group Automobile Allowance

Bridge and road tolls, parking fees, and other expenses set forth in *Business and Finance Bulletin G-28, Policy and Regulations Governing Travel* may be reimbursed.

Procedures for reimbursement of University business travel and mileage reimbursement rates, as well as procedures required for insurance coverage and the reimbursement of collision damage costs related to the use of a privately-owned vehicle for official University business, are set forth in *Business and Finance Bulletin G-28, Policy and Regulations Governing Travel, Section VII.C. and Appendix A.*

D. Funding

Each location is responsible for funding its SMG automobile program. Laboratory SMG automobile allowances are provided by the Laboratory Administration Office. General Funds (19900) may not be used to support the SMG automobile program.

E. Treatment for Benefit Purposes

Amounts that are treated as wages under this policy are not considered to be compensation for University benefit purposes, such as the University of California Retirement Plan, Retirement Savings Program, or employee life insurance programs. A Description of Service (DOS) code of “EAA” has been established for paying automobile allowances approved in accordance with this policy.

F. Tax Treatment and Reporting

Under Internal Revenue Service (IRS) Regulations, payment of an automobile allowance must be included in the employee’s income as wages subject to withholding for federal and state income taxes and applicable FICA taxes. The payment is reportable on the employee’s Form W-2 in the year paid.

Any payments to SMG members under this policy will be reported to the President and the Regents in the *Annual Report on Executive Compensation.*
