

**Office of the President**

**TO MEMBERS OF THE COMMITTEES ON LONG RANGE PLANNING AND  
HEALTH SERVICES**

*For Meeting of January 21, 2010*

**DISCUSSION ITEM**

**ANNUAL ACCOUNTABILITY SUB-REPORT ON HEALTH SCIENCES AND  
SERVICES**

This item provides an overview of the University of California health enterprise, its function in the Office of the President, breadth of health sciences education, rankings, hospital operations and revenues. It provides information on the wide variety of systemwide activities aimed at improving teaching, providing service to underserved populations, and advancing research. Issues critical to the continued growth and improvement of the health enterprise are outlined.
