

COMMITTEE ON COMPENSATION

ACTION ITEM

For Meeting of November 18, 2010

APPROVAL OF INDIVIDUAL COMPENSATION ACTIONS AS DISCUSSED IN CLOSED SESSION

RECOMMENDATION

- A. *Appointment of and Compensation for Elizabeth Boyd as Associate Vice Chancellor and Chief Ethics and Compliance Officer, San Francisco Campus*

Background to Recommendation

Approval is requested for the appointment of and compensation for Elizabeth Boyd as Associate Vice Chancellor and Chief Ethics and Compliance Officer, San Francisco campus. The campus is requesting a base salary of \$230,000 and SLCG Grade 108, effective upon approval. This is a new UCSF position, funded 100 percent by non-State revenue.

After a national search, the campus states that Ms. Boyd's extensive and solid background in ethics and compliance makes her extremely well suited for the Associate VC/CECO position. Currently serving as the Assistant Vice President for Research Compliance and Policy at the University of Arizona (since 2008), she oversees the management of ten compliance units, including conflict of interest, the Institutional Review Boards, privacy/security, animal care, export control, laboratory safety, and research misconduct. She is the key point of contact for all matters pertaining to regulatory compliance and is responsible for developing a coordinated program for both the main and medical campuses. Ms. Boyd has experience conducting audits, investigating non-compliance, constructing management plans and interacting with federal agencies. Her experience also includes academic research, with postdoctoral training at the Institute for Health Policy Studies (UCSF). She also served as a faculty member in the UCSF Department of Clinical Pharmacy for five years (developing a research agenda focusing on medical and research ethics) and has served as a consultant to many policy groups, including the Institute of Medicine and the World Health Organization. She participated in the Research on Research Integrity Program under the auspices of the Office of Research Integrity and the National Institutes of Health. Ms. Boyd has a B.A. from UC Berkeley (Psychology), an M.A. from Stanford University (Communication), and a Ph.D. from UCLA (Sociology). Ms. Boyd has a proven track

record in ethics and compliance leadership, and will bring the required skills, knowledge, and abilities to this critical new role at UCSF.

Reporting directly to the Executive Vice Chancellor and Provost as well as the UC systemwide Chief Compliance and Audit Officer, with direct access to the Chancellor, Ms. Boyd will be responsible for providing leadership, direction, and oversight for the UCSF Ethics and Compliance Program, including identification of all regulatory compliance matters, data privacy and security issues, interpretation of relevant laws, statutes, and policies governing such issues and assuring that management has developed appropriate mitigation plans to address these issues for the UCSF campus and clinical enterprise, and directing the ethics and compliance programs to ensure that UCSF fulfills its academic missions to perform high-quality research, teaching, and health care while preventing fraud, abuse, and waste.

The Associate Vice Chancellor and Chief Ethics and Compliance Officer position reflects a solid match with the highest level of compliance management found in the 2010 Radford Global Life Sciences Survey. Radford reports national average pay of \$222,446 for that benchmark. This national average, adjusted by a 20 percent geographic differential to reflect local Bay Area pay practices, results in an average market base pay comparator of \$266,935 which is 16.1 percent above the proposed salary. Sperling's Cost of Living Index reports an estimated increase in cost of living from Tucson, Arizona, to San Francisco of 131 percent.

As this is a new position, there is no prior incumbent comparator data for the proposed annual base salary of \$230,000. The most comparable internal UC position is the Chief Compliance Officer, UCLA Health Sciences, which was recently approved by the Regents as a Senior Management Group appointment at SLCG Grade 108 with an appointment base salary of \$244,900 (reflecting the midpoint of the range). The UCLA Chief Compliance Officer position is substantively similar to the proposed UCSF Associate Vice Chancellor and Chief Ethics and Compliance Officer position and may arguably reflect a narrower scope as the focus is more keenly and exclusively directed at issues of medical compliance and privacy. The proposed base salary is 6.5 percent below the SLCG Grade 108 salary range midpoint and UCLA comparator of \$244,900.

Recommendation

The Committee recommends approval of the following items in connection with the appointment of and compensation for Elizabeth Boyd as Associate Vice Chancellor and Chief Ethics and Compliance Officer, San Francisco campus:

B. *Appointment of and Compensation for Margaret L. Delaney as Vice Chancellor – Planning and Budget, Santa Cruz Campus*

Background to Recommendation

Approval is requested for the appointment of and compensation for Margaret L. Delaney as Vice Chancellor – Planning and Budget, Santa Cruz campus, with an annual salary of \$204,150, effective November 18, 2010. The permanent position of Vice Chancellor – Planning and Budget does not carry with it an underlying faculty appointment. While serving as the permanent Vice Chancellor – Planning and Budget full-time, Ms. Delaney will be placed on leave without pay from her professorial appointment and thus will not be eligible to accrue sabbatical credits.

In the culmination of a national search, Ms. Delaney was selected from a strong pool of candidates to fill this key leadership position. Ms. Delaney is currently serving in a term position as Vice Chancellor – Planning and Budget and has been serving in this capacity since August 17, 2009. The term appointment was approved in August 2009 pending the outcome of a national search and was necessary due to the departure of the former Vice Chancellor – Planning and Budget for a similar position at UC Irvine.

The Vice Chancellor – Planning and Budget actively and collaboratively supports all phases of UC Santa Cruz's academic, capital, and financial processes and planning. The Vice Chancellor's goal is to advance the campus' instructional, research, and public service missions and to promote equity and inclusion for faculty, students, and staff. The Vice Chancellor is a collaborator in the development and implementation of plans that integrate space/capital, fiscal, and human resource considerations in all areas of the campus.

The Vice Chancellor advises the Chancellor and the Executive Vice Chancellor on academic, financial, and resource planning matters. The Vice Chancellor employs sound financial modeling and forecasting techniques to provide the campus with robust options for setting fiscal and budgetary direction, and represents the campus in budgetary matters with the University of California Office of the President and all external agencies. The Vice Chancellor also provides the leadership, direction and management of several campus offices: Budget and Resource Management, Institutional Research and Policy Studies, Capital Planning and Space Management, and Data Management Services.

Ms. Delaney is currently receiving an annual base salary of \$204,150 for her role as the interim Vice Chancellor – Planning and Budget. Considering the responsibilities of the position, campus and systemwide internal comparators, and Ms. Delaney's experience, the campus proposes that Ms. Delaney continue to receive an annual base salary of \$204,150. The base salary for this position is funded 100 percent by UC general funds provided by the State. The requested base salary of \$204,150 is 4.4 percent above the midpoint of SLCG Grade 106 (Minimum \$154,200, Midpoint \$195,200, Maximum \$236,100) and 25.7 percent below the average base salary of \$256,637 for the Vice Chancellor – Budget and Planning at the other UC locations. According to Mercer

Human Resource Consulting data from the 2009/2010 College and University Professional Association (CUPA) Administrative Compensation Survey, the proposed base salary is 9.3 percent above the market median of \$186,839 for chief planning and budget officers.

C. *Appointment of and Compensation for Karen A. Grimley as Chief Nursing Officer, UC Irvine Medical Center, Irvine Campus*

Background to Recommendation

Approval is requested for the appointment of and compensation for Karen A. Grimley as Chief Nursing Officer, UC Irvine Medical Center, Irvine campus, effective upon approval. The Chief Nursing Officer position, formerly called the Chief Patient Care Services Officer, was vacated due to the prior incumbent's retirement effective July 1, 2010, following a leave of absence.

UC Irvine conducted an exhaustive national search to fill the position of Chief Nursing Officer (CNO). Ms. Grimley was selected as the top candidate by a search committee made up of key stakeholders at the UC Irvine Medical Center.

While the CNO position was vacant, UC Irvine contracted with an agency providing interim leadership services and employed the services of Ms. Grimley through this agency. Ms. Grimley has provided excellent services to the Medical Center during this transitional period. She played a key role in preparation for the Centers for Medicare and Medicaid Services and Joint Commission surveys; worked closely with senior leadership to implement an organizational culture change, including greater accountability and oversight; and was an important leader in advancing the quality and patient safety agenda for the Medical Center.

Prior to providing interim leadership through a contract services agency, Ms. Grimley held two senior positions in clinical services at Broadlane, served as CNO in three different medical centers through Tenet Healthcare, and held two other medical center positions with progressive responsibility. Ms. Grimley holds a Bachelor of Science in Nursing from St. Anselm College, a Master in Business Administration from Anna Maria College, and is pursuing a Doctor of Philosophy in Nursing at the Christine E. Lynn College of Nursing at Florida Atlantic University. Ms. Grimley's nearly 20 years of experience in clinical services, education, and track record of success, coupled with her

leadership abilities and passion for nursing, will allow the Medical Center to excel in areas related to service and staff engagement.

This position is funded 100 percent by UC Irvine Medical Center operating revenue. UC Irvine proposes a compensation package including a base salary of \$274,000, participation in the Clinical Enterprise Management Recognition Plan at an annual target payout of 15 percent (\$41,000), moving expenses and temporary housing, and standard and executive benefits. Ms. Grimley's permanent residence is currently in Boca Raton, Florida.

The proposed base salary is 12.8 percent above the prior incumbent's salary of \$243,000, and slightly below (-0.1 percent) the proposed interim re-slotting to the SLCG Grade 109 midpoint of \$274,300, 1.5 percent above the average salary of \$269,900 for other chief nursing/patient care services officers at the University of California (inclusive of the UCSF CNO's stipend), and 0.9 percent below the average market salary of \$276,543.
