Market data are provided by Mercer Human Resource Consulting using the 2008/2009 College and Universities Professional Association (CUPA) Compensation survey for All Doctorate Institutions. Furthermore, the proposed base salary is 9.4 percent below the midpoint of $218,700 for SLCG Grade 107, 2.7 percent below other UC Merced SLCG Grade 107 average salaries, and 8.0 percent above the previous incumbent’s salary of $185,000.

Approval of the following items in connection with the appointment of Professor Mark S. Aldenderfer as Dean of the School of Social Sciences, Humanities and Arts at the Merced campus:

(1) Appointment of Mark S. Aldenderfer as Dean of the School of Social Sciences, Humanities and Arts at the Merced campus.

B. **Stipend Extension for Sharon A. Duffy as Acting Dean – University Extension, Riverside Campus**

The Riverside campus requests that an exception to policy be approved for the extension of the appointment of Sharon A. Duffy as Acting Dean – University Extension, from October 1, 2009 through September 30, 2010, for a total service period not to exceed three years. Due to ongoing difficulties with the financial crisis, Chancellor White has decided to place all non-mission critical searches on hold, including this one, and has asked Ms. Duffy to continue in this acting role. There are no changes requested to her
current compensation package.

This position is paid from non-State general funds. The proposed total annual compensation of $184,000 is equivalent to the current market median of $184,700. Market data provided by Mercer Human Resource Consulting include data from the College and University Professional Association (CUPA) Administrative Compensation Survey. The proposed base salary is slightly above the midpoint of the salary range for the position and is slightly above the average base salary of $175,389 for the Dean – University Extension at the other University of California locations.

Approval of the following items in connection with the stipend extension for Sharon Duffy as Acting Dean – University Extension, Riverside campus:

(1) As an exception to policy, an extension of the appointment for Sharon A. Duffy as Acting Dean – University Extension at 100 percent time. This action extends the acting appointment beyond the one year allowed by policy for a total duration of three years. This extension allows Ms. Duffy to serve until the search is concluded.

(2) Per policy, continued administrative stipend of 39.4 percent ($52,006) to increase her adjusted faculty salary of $131,994 to a total annual salary of $184,000 (SLCG Grade 105: Minimum $138,200, Midpoint $174,300, Maximum $210,400). This stipend percentage is warranted due to the low adjusted faculty salary in relation to the salary range for the Dean position.

(3) If a change to the academic base salary is made prior to the termination of this acting role, the 39.4 percent stipend will be recalculated against the new adjusted base salary.

(4) Effective October 1, 2009 through September 30, 2010, or until the appointment of a permanent Dean – University Extension, whichever occurs first.

Additional items of compensation include:

• Per policy, standard pension and health and welfare benefits.
• Per policy, accrual of sabbatical credits as a member of tenured faculty.

The compensation described above shall constitute the University’s total commitment until modified by the Regents and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.
C. Extension of Temporary Appointment Compensation for Phyllis A. Guze as Acting Vice Chancellor – Medical Sciences and Dean – School of Medicine, Riverside Campus

Approval of the extension of temporary appointment compensation is requested for Phyllis Guze as Acting Vice Chancellor – Medical Sciences and Dean – School of Medicine, Riverside campus. This request is in response to the need to continue this appointment on a temporary basis while the campus continues its ongoing national recruitment for the permanent position and to continue the planning process for the new School of Medicine. Dr. Guze has been serving in this role since October 1, 2008 and there are no changes requested to her compensation package.

This position is funded from University of California general funds provided by the State. Market data provided by Mercer Human Resource Consulting include data from the College and University Professional Association (CUPA) Administrative Compensation Survey. The proposed base salary, if annualized, is slightly below the average base salary ($513,075) for the Vice Chancellor and Dean of medical schools at the other UC locations and above the market median of $499,400.

Approval of the following items as an exception to policy in connection with the temporary appointment compensation for Phyllis Guze as Acting Vice Chancellor – Medical Sciences and Dean – School of Medicine, Riverside campus:

1. As an exception to policy, extension of the temporary appointment compensation of $306,933 for her 60 percent role as Acting Vice Chancellor – Medical Sciences and Dean – School of Medicine. This temporary appointment compensation, in addition to her 40 percent prorated compensation of $96,000 for her role as Professor of Clinical Medicine, Los Angeles campus, results in total annual compensation of $402,933. This constitutes an exception to policy which allows for acting appointments of up to 12 months.

2. This administrative appointment of 60 percent time is to be effective October 1, 2009 through June 30, 2010 or until the appointment of the permanent Vice Chancellor and Dean, whichever occurs first.

3. Per policy, continued participation in the Health Sciences Compensation Plan (HSCP) for a total annual salary, inclusive of base salary and HSCP, of $402,933.

Additional items of compensation include:

- Per policy, standard pension and health and welfare benefits.
- Per policy, accrual of sabbatical credits as a member of tenured faculty.

Base salary market data (as provided by Mercer Human Resource Consulting):
25th Percentile  50th Percentile  75th Percentile

$355,500   $499,400   $560,000

The compensation described above shall constitute the University’s total commitment until modified by the Regents and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

D. Appointment Salary for Alan Houston as Provost, Eleanor Roosevelt College, San Diego Campus

UC San Diego has concluded a search for the Provost, Eleanor Roosevelt College and Alan Houston has been selected as the top candidate. The current Provost, Ann Craig, will be stepping down as Provost effective December 31, 2009. Mr. Houston has been a member of the faculty of UCSD since 1989. He is an internationally recognized scholar of early modern British and American political thought. He has been the recipient of fellowships from the American Philosophical Society, the National Endowment for the Humanities, and the UC President’s Research Fellowship in the Humanities. Mr. Houston has made significant contributions to undergraduate and graduate education, serving on Academic Senate committees to evaluate college and university programs and curriculum.

This position is funded from UC general funds provided by the State. The proposed base salary of $141,000 is 1.1 percent above the previous incumbent’s base salary of $139,400, 1.1 percent below the $142,640 average salary of the other UCSD Provosts, and 1.4 percent above the midpoint of the salary range for the position.

Approval of the following items in connection with the compensation of Alan Houston as Provost, Eleanor Roosevelt College, San Diego campus:

(1) Per policy, appointment salary of $141,000 (SLCG Grade 103: Minimum $110,800, Midpoint $139,000, Maximum $167,100) as Provost, Eleanor Roosevelt College, San Diego campus. This represents a 15.1 percent increase ($18,461) in Mr. Houston’s adjusted faculty salary of $122,539.

(2) This appointment is at 100 percent time and will become effective January 1, 2010.

Additional items of compensation include:

• Per policy, standard pension and health and welfare benefits and standard senior management benefits (including senior management life insurance, executive business travel insurance, and executive salary continuation for disability).
• Per policy, accrual of sabbatical credits as a member of tenured faculty.
The compensation described above shall constitute the University’s total commitment until modified by the Regents and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

E. Promotion Compensation and Interim Re-Slotting for Certain Individuals at the San Diego Campus

Approval is requested for promotion compensation for one individual at the San Diego campus and interim re-slotting for all three individuals at the San Diego campus. This request is in response to an immediate need to announce a reorganization following the sudden resignation of Debra Neuman as Vice Chancellor – External Relations (VCER) effective August 1, 2009. In light of the current budgetary environment and campus efforts to reduce administrative costs, Chancellor Fox has decided to reassign Vice Chancellor Steven Relyea into the vacant Vice Chancellor – External Relations position and have him retain the majority of his existing functions as Vice Chancellor – Business Affairs on an interim basis for three to five years. The merger of External Relations and Business Affairs will allow UC San Diego to gain cost savings to help address some of the budget reductions facing the campus. Elimination of one Vice Chancellor and supporting office staff positions will initially save at least $800,000. Following the merger, additional efficiencies are anticipated as redundant Human Resources, Information Technology, Financial Administration and Space Management functions are assessed for reorganization.

Vice Chancellor – External Affairs and Interim Vice Chancellor – Business Affairs

Steven W. Relyea will assume all of the Vice Chancellor – External Relations functions, with the exception of University Communications and Public Affairs. On an interim basis for three to five years, he will retain the Vice Chancellor – Business Affairs responsibilities, with the exception of three of his current departments, which will move to Vice Chancellor Gary Matthews. Vice Chancellor Relyea was identified as the individual with the experience and ability to serve as both the senior advancement executive and chief business officer for the campus. He successfully served as the Interim Vice Chancellor – External Relations in 2008 during recruitment for that position. He has served as the chief business officer of UC San Diego for many years and in 2004 was honored as the nation’s Distinguished Business Officer of the Year by the National Association of College and University Business Officers.

This position is funded from UC general funds provided by the State. The proposed base salary of $295,000 is equal to the previous Vice Chancellor – External Relations’ base salary and below the salary range midpoint of $307,200. According to Mercer Human Resource Consulting, data from the College and University Professional Association (CUPA) Administrative Compensation Survey shows a market median of $312,300 for Chief Development Officers. The proposed base salary is 12.8 percent above the average base salary ($261,438) of the Vice Chancellors – External Relations at the other campuses, which recognizes the dual role of overseeing both External and Business
Affairs, which is unique in the UC system. It is also below the salary of recent appointments for Vice Chancellors – External Relations at other campuses.

**Vice Chancellor – Resource Management and Planning**

In addition to his current scope of responsibility, Vice Chancellor Gary Matthews will now oversee Auxiliary and Plant Services, Environment, Health and Safety, and campus Police. He also will assume the leadership for Strategic Energy Initiatives, the environmental sustainability activities ranging from employing alternative energy to meet the campus needs to UC San Diego’s campus-wide recycling efforts. These areas were previously assigned to Steven Relyea. Vice Chancellor Matthews was identified as the best candidate to assume these new responsibilities given his track record as Acting Vice Chancellor and Vice Chancellor for the San Diego campus for the past two-and-a-half years, the six years prior when he successfully managed the Auxiliary and Plant Services departments as Assistant Vice Chancellor, as well as his extensive higher education leadership experience in managing campus police and environmental health and safety prior to joining the University of California.

This position is funded from UC general funds provided by the State. The proposed slotting at SLCG Grade 109 is supported by Mercer Human Resource Consulting which reported a market median of $238,900. There will be no associated salary action at this time.

**Chief Administrative Officer – University Strategic Communications and Public Affairs**

In addition to her current scope of responsibility, Associate Chancellor and Chief of Staff Clare Kristofco will now oversee University Communications and Public Affairs and assume the new title of Chief Administrative Officer – University Strategic Communications and Public Affairs. In this role, she assumes oversight for all campus communications, including development of communications strategies, marketing, advocacy and State and local government affairs. She will oversee the campus publications and creative production units, as well as campus-wide special events and protocol. She will coordinate with University Development and Health Sciences Development the Chancellor’s central role in donor cultivation and fundraising.

Associate Chancellor and Chief of Staff Clare Kristofco was identified as the best candidate to assume these new responsibilities because of her leadership and expertise over the past five years in the development with the Chancellor’s senior leadership team of communications strategies, her close working relationship with these units, and proven track record in successfully carrying out the Chancellor’s initiatives.

Mercer Human Resource Consulting reported that there were no external market data available for this unique position, but proposed interim re-slotting from SLCG Grade 105 to SLCG Grade 107 based on internal comparators across the UC system. The proposed slotting recognizes the significant increase in the scope and responsibility of the position.
and appropriately aligns this leadership position within the overall UC San Diego structure across the administrative units. The interim re-slotting addresses internal campus equity issues, places the position two grade levels above the new direct report, and creates an appropriate differentiation between this position and Associate and Assistant Chancellors at other locations with much narrower scopes of responsibility and supervision. This position is funded from UC general funds provided by the State. There will be no associated salary action at this time.

Approval of the following items in connection with the interim re-slotting, title changes, and promotion compensation for the following individuals at the San Diego campus:

(1) Approval of the following in relation to the promotion compensation for Steven W. Relyea as Vice Chancellor – External Affairs and Interim Vice Chancellor – Business Affairs.

a. Approval of interim re-slotting of the Vice Chancellor – External Affairs position to SLCG Grade 110 (Minimum $239,700, Midpoint $307,200, Maximum $374,500), as supported by Mercer Human Resource Consulting.

b. Per policy, a promotional salary of $295,000, before the 2009/10 salary reduction is applied. This represents a 22.9 percent increase over Mr. Relyea’s current base salary of $240,000.

c. This appointment is at 100 percent time and will become effective August 1, 2009, following approval by the Regents.

Additional items of compensation include:

• Per policy, standard pension and health and welfare benefits and standard senior management benefits (including senior management life insurance, executive business travel insurance, and executive salary continuation for disability).
• Per policy, a five percent monthly contribution to the Senior Management Supplemental Benefit Program.
• Per policy, annual automobile allowance of $8,916.

F. Stipend Extension for Mary J. Nisbet as Acting Dean – Undergraduate Education, College of Letters and Science, Santa Barbara Campus

Mary J. Nisbet was appointed as Acting Dean – Undergraduate Education by the Regents effective September 1, 2008. The appointment was for one year or until the appointment of a new dean, whichever occurred first. A search advisory committee was formed in June 2008 to begin a national search for a new Dean – Undergraduate Education that included a broad representation of faculty across disciplines. The committee devoted considerable time and energy to the search and interviewed several candidates; however, the search was unsuccessful. The campus is in the process of constituting a new search for the Dean – Undergraduate Education. In the interim, Ms. Nisbet has agreed to serve as Acting Dean for another year. Accordingly, the Santa Barbara campus is requesting an extension of the existing stipend of $38,778 for Ms. Nisbet as Acting Dean – Undergraduate Education to be effective September 1, 2009.
This position is funded from UC general funds provided by the State. Market data provided by Mercer Human Resource Consulting include data from the 2008/2009 College and University Professional Association (CUPA) Administrative Compensation Survey which indicate that the proposed total annual salary of $168,038 (adjusted faculty salary of $129,260 and 30 percent stipend of $38,778) is below the market median of $235,000. In addition, the proposed total annual salary is 21 percent above the midpoint of $139,000 for SLCG Grade 103 and 2.3 percent above the former incumbent’s total annual salary of $164,300.

Approval of the following items in connection with the appointment of Mary J. Nisbet as Acting Dean – Undergraduate Education, College of Letters and Science, Santa Barbara campus:

(1) As an exception to policy, continuation of the administrative stipend of 30 percent ($38,778) to increase her base salary for a total annual salary of $168,038, which exceeds the maximum for SLCG Grade 103 (Minimum $110,800, Midpoint $139,000, Maximum $167,100).

(2) The stipend amount will be increased as the base salary is increased, so the stipend will equal 30 percent of the base salary.

(3) As an exception to policy, effective September 1, 2009 through August 31, 2010. This constitutes an exception to policy which allows for administrative stipends to be paid for up to 12 months. Ms. Nisbet has been serving in this acting appointment since September 1, 2008.

Additional items of compensation include:

- Per policy, standard pension and health and welfare benefits and standard senior management benefits (including senior management life insurance, executive business travel insurance and executive salary continuation for disability).
