ACADEMIC UNITS AND FUNCTIONS, AFFILIATED INSTITUTIONS, AND RELATED ACTIVITIES OF THE UNIVERSITY

Standing Order 110.1 Academic Units and Functions, Affiliated Institutions, and Related Activities of the University.

The Board has established the colleges, schools, graduate divisions, certain other major academic units, affiliated institutions, and related activities at the several campuses and facilities of the University of California, and, upon the recommendation of the President of the University, with the advice of the Academic Senate, has established the degrees awarded by the several academic units of the University. Detailed provisions of this establishment shall be set forth in the minutes of the Board. The Board may amend these provisions by resolution, upon recommendation of the President of the University. The President is authorized to approve name changes of academic units and establishment, name changes, and discontinuance of degree titles, upon approval by the Academic Senate.
