

# Gamechanger Award Nomination Form

Awarded for the previous year's most impactful product to market. The invention must have been translated into a new or improved technology, product or service which has been put into public use and has (a) improved societal well-being, (b) provided economic benefit to the region or state, and/or (c) advanced scientific understanding in their field.

## Part I

*Fill in basic identification information*

**Nominee Full Name \***

**Nominee Title/Role \***

**Nominee institution \***

Nominee Department \*

Nominee Office Email \*

Nominee Office Phone Number \*

## Part II

---

You must complete the form in one sitting, so we recommend you draft your responses and gather your attachments in advance, complete the form, and submit. Once you have submitted the form, you will not be able to return to it

**Section 1: Please describe specific examples of how the Nominee's product, service, creative work, policy or other innovation has demonstrated significant societal impact during the previous calendar year**

---

Weight: 50%

**1.1 How has the innovation solved a problem? \***

1.2 What has been the impact on community needs and which populations have been affected? \*

0/2000

1.3 How is the impact measured? \*

0/2000

1.4 How does the innovation differ from what is available today? \*

0/2000

## 1.5 Have you received independent recognition of the innovation's value? Please explain

\*

0/2000

## Section 2: Please describe the economic benefit the innovation has provided to the region or state during the previous calendar year

---

Weight: 20%

Include metrics for commercial or non-commercial applications where applicable such as:

**Commercial Application:** revenue generated, jobs created, etc.

**Non-Commercial Application:** some measure of public consumption such as sales and/or performances of creative works, exhibit attendees/visitors, clients serviced, policies/positions adopted, etc.

2.1 Please describe the economic benefit and how it is measured?

\*

0/2000

2.2 Given the innovation is under a UC license, how much has been paid to UC in the form of fees, royalties, and other forms of consideration?

\*

0/2000

2.3 How much funding has been raised from private capital, endowments, grants (including UC Proof of Concept Grants), contracts, philanthropic gifts, and other sources? \*

0/2000

Section 3: How has the Nominee's work advanced scientific understanding in their field during the previous calendar year?

-----  
Weight: 20%

3.1 Number of publications, publication citations including patents and patent citations, performances, exhibitions and other evidence of public consumption \*

0/2000

### 3.2 Media exposure for the company and the product \*

0/2000

### 3.3 Recognition in the form of awards and/or other public recognition \*

0/2000

## Section 4: Explain how the Nominee's innovation aligns with the UC's commitment to fairness

---

Weight: 10%

4.1 How does the research align with the mission of the University of California? \*

0/2000

4.2 How does the research align with the values of the community? \*

0/2000

## Section 5: Supporting Materials (unclassified information only)

---

The following will not be scored on its own merits but will be reflected in the Reviewers' scores

Please provide any other justification from the previous calendar year – that is not addressed in the above – as to why you should be considered for this award (including UC Proof of Concept Grants)

0/2000

Please provide a link to a 90-second video (YouTube or Vimeo) describing your innovation, why you are deserving of the award, and how this award will impact your ongoing work

[Click here for Video Guidelines](#)

## Please attach any relevant supporting documents, dated within the last 12 months, which may include

- Press releases
- Awards and recognitions, especially from professional peers outside the UC system
- Patents
- Publications
- Letters of support (max 3) from parties outside the UC system
- Other forms of recognition that support the nomination

[Choose a file to upload](#) or drag and drop here

## Section 6: Nominee's Certification \*

---

**I certify that the information provided in this nomination package is accurate and complete**

*Type your full name. Your typed name will act as your electronic signature.*
