The compensation described above shall constitute the University’s total commitment until modified by the Regents, President, or Chancellor, as applicable under Regents policy, and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

Background to Recommendation

The President of the University recommends approval for the appointment of and compensation for Jeffrey Stewart as Interim Vice Chancellor for Diversity, Equity and Inclusion, Santa Barbara campus, at 100 percent time, with a proposed annual base salary of $380,000, effective July 1, 2022 through June 30, 2023, or until a new career Vice Chancellor for Diversity, Equity and Inclusion is appointed, whichever occurs first.
Mr. Stewart will maintain his tenured faculty appointment as Professor of Black Studies, Santa Barbara campus, at zero percent time, without salary.

The previous incumbent stepped down in December 2021, and in order to ensure continuity of leadership for this critical area, Mr. Stewart assumed a portion of the responsibilities of the position as of December 14, 2021. He currently receives his nine-
month faculty salary ($308,300) plus an academic administrative stipend ($71,700) for the additional responsibilities, for total cash compensation of $380,000.

The proposed base salary of $380,000 is equivalent to his current total cash compensation and is 10.1 percent above the 90th percentile ($345,200) of the position’s Market Reference Zone and 30.8 percent above the previous career incumbent’s base salary ($290,460).

The Vice Chancellor for Diversity, Equity and Inclusion (VC-DEI) position is classified as a Level Two position in the Senior Management Group (SMG). Because the proposed base salary is above the 90th percentile of the Market Reference Zone for the position, approval by the Regents is required.

The campus will launch a competitive recruitment to hire a new career appointee for the VC-DEI role. At the conclusion of the interim appointment, Mr. Stewart will return to his position as Professor of Black Studies, Santa Barbara campus, and his base salary will revert to his nine-month faculty salary in effect as of June 30, 2022 ($308,300) in addition to any increases under academic salary programs in effect during his interim appointment.

2. Further Delegation: With review and approval of the Chair or Vice Chair of the Health Services Committee, the President may approve any UC Health transaction that can reasonably be anticipated to commit or generate no more than the lesser of (i) 1.5% of the relevant Medical Center's annual operating revenue for the previous fiscal year, or (ii) $25 million and when combined with other transactions approved by the President for a particular Health Center in the current fiscal year, would reasonably be anticipated to commit or generate no more than the lesser of (i) 3% of the relevant Health Center's annual operating revenue for the previous fiscal year, or (ii) $50 million; nor to any transaction involving more than one Medical Center.

3. Exclusions From Delegations:
   - When a transaction is predominantly (by revenue committed or generated) a real estate transaction; or
   - when a transaction includes issuance of debt; or
   - when a transaction is anticipated to generate or commit more than 3% of the annual operating revenue of the sponsoring health center(s), as reflected in the audited financial statement(s) for the most recent fiscal year; or

G. Delegated Authority Over Appointments and Compensation.

1. When the appointment or compensation for an employee serving UC Health or any of its components, whose compensation is paid solely from sources other than State general fund support to the University, otherwise requires approval from the Regents or a Committee of the Regents, the Health Services Committee may review and approve such appointment and/or compensation without further Regents action. The Health Services Committee and
the Board of Regents will approve CEMRP awards for the EVP-UC Health, regardless of the source of funding.

2. The Committee shall develop a benchmarking framework for use in evaluating compensation proposals that may be approved under the authority delegated in paragraph H(1). The benchmarking framework shall identify peer institutions against which UC Health competes for high level positions and identify external salary data for positions comparable to those that may be approved by the Committee. The benchmarking framework shall be reviewed and approved by both the Health Services Committee and the Governance Committee at least every two (2) years. The Health Services Committee and the Governance Committee shall also approve any new UC Health positions in the Senior Management Group and their corresponding salary ranges for positions that are not State-funded without further Regents action.

H. Other Oversight Responsibilities. In addition to the authority described above, the Committee may review and make recommendations with regard to the following matters and/or with regard to the following areas of the University’s business:

I. Administrative Committees. Notwithstanding any other University policy, the Regent members of the Committee shall be permitted to serve on committees or work groups established by the
President of the University or other University administrators for the conduct of the business of UC Health.
