**PUBLIC COMMENT**

Chairman Davies explained that the Board had been convened as a Committee of the Whole in order to permit members of the public an opportunity to comment on University-related matters not on the day's agenda. The following persons address the Board on the subjects noted:

1. Mr. Rich Reed recalled that he had been promoting his method of teaching music for the past thirteen years. He believed that the faculty should be taking note of his theories.
2. Mr. Rudy Rodriguez, chairman of the Contra Costa chapter of the Mexican American Political Association, stated that Chancellor Dynes has refused to communicate with a UC San Diego employee who has complaints about the Department of Dance. The Association believed the matter merits the Chancellor's personal attention.
3. Mr. Rodney Clara, a UC Santa Barbara student, requested administrative support to establish a program to inform students about the dangers of drug and alcohol abuse.
