The Regents of the University of California

GOVERNANCE COMMITTEE
July 20, 2021

The Governance Committee met on the above date by teleconference meeting conducted in accordance with Paragraph 3 of Governor Newsom’s Executive Order N-29-20.

Members present: Regents Cohen, Drake, Elliott, Estolano, Leib, Park, Reilly, and Sherman

In attendance: Regents Butler, Lott, and Torres, Regents-designate Pouchot and Timmons, Faculty Representatives Gauvain and Horwitz, Secretary and Chief of Staff Shaw, General Counsel Robinson, Executive Vice President and Chief Operating Officer Nava, Vice President Leasure, Interim Vice President Lloyd, Chancellors Khosla, Larive, Muñoz, and Wilcox, and Recording Secretary Johns

The meeting convened at 4:45 p.m. with Committee Vice Chair Leib presiding.

1. APPROVAL OF MINUTES OF PREVIOUS MEETING

Upon motion duly made and seconded, the minutes of the meeting of May 12, 2021 were approved, Regents Cohen, Drake, Elliott, Leib, Park, Reilly, and Sherman voting “aye.”

2. RESOLUTION TO EXCLUDE ACCESS TO FEDERAL CLASSIFIED INFORMATION

The President of the University recommended that the resolution pertaining to the University’s Facility Security Clearances be approved as shown in Attachment 1.

[Background material was provided to Regents in advance of the meeting, and a copy is on file in the Office of the Secretary and Chief of Staff.]

Committee Vice Chair Leib explained that Committee Chair Estolano was recusing herself from this item.

Vice President Leasure explained that this resolution essentially barred access to federal classified information for someone without a clearance. This was a standard recommendation for the Chair of the Board until the clearance was granted.

Upon motion duly made and seconded, the Committee approved the President’s recommendation and voted to present it to the Board, Regents Cohen, Drake, Elliott, Leib, Park, Reilly, and Sherman voting “aye.”

3. APPROVAL OF CONTRACT COMPENSATION FOR JIM KNOWLTON AS DIRECTOR OF ATHLETICS, BERKELEY CAMPUS AS DISCUSSED IN CLOSED SESSION

The Committee recommended approval of the following items in connection with the contract compensation for Jim Knowlton as Director of Athletics, Berkeley campus:

A. For the first contract year, annual guaranteed compensation of $925,000, comprised of $300,000 in base salary and $625,000 in talent fee. Additionally, for each subsequent contract year, annual guaranteed compensation of $950,000, comprised of $300,000 in base salary and $650,000 in talent fee. This exceeds the *Amendment of Regents’ Delegation of Authority for Recruiting and Negotiation Parameters for Certain Athletic Positions and Coaches, Systemwide* (September 2008 Parameters) because the proposed annual guaranteed compensation of $925,000 in year one is more than 30 percent over the annual guaranteed compensation of $670,000 in the previous year’s contract. In addition, the overall cumulative total guaranteed compensation of $7,575,000 in the proposed contract is more than 30 percent over the previous contract’s overall cumulative total guaranteed compensation of $2,010,000, with the duration of the contracts adjusted so that a change in contract duration does not affect the comparison.

B. Provide deferred compensation in the form of annual retention bonus payments totaling $2.2 million. This exceeds the September 2008 Parameters because the total deferred compensation in the form of retention bonus payments over the life of the contract is more than the equivalent of the first year’s guaranteed compensation.

The retention payment will be paid following the last day of each contract year. The deferred compensation for each contract year is presented in the chart below:

C. This contract will be effective from May 21, 2021 through May 20, 2029.

The compensation described above shall constitute the University’s total commitment for the elements of compensation addressed above until modified by the Regents, the President, or the Chancellor, as applicable under Regents policy, and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

[Background material was provided to Regents in advance of the meeting, and a copy is on file in the Office of the Secretary and Chief of Staff.]

Interim Vice President Lloyd introduced this item, which sought approval for certain elements of contract compensation for an eight-year term for the current UC Berkeley Director of Athletics, Jim Knowlton, effective from May 21, 2021 through May 20, 2029. This action required Regental approval as certain contract terms regarding guaranteed compensation and deferred compensation, needed to retain Mr. Knowlton, exceeded the criteria in the Amendment of Regents’ Delegation of Authority for Recruiting and Negotiation Parameters for Certain Athletic Positions and Coaches, Systemwide (September 2008 Parameters). All other elements of compensation and contract terms were within the September 2008 Parameters.

Upon motion duly made and seconded, the Committee approved the recommendation and voted to present it to the Board, Regents Cohen, Drake, Elliott, Estolano, Leib, Park, Reilly, and Sherman voting “aye.”

4. APPROVAL OF MARKET-BASED SALARY ADJUSTMENT FOR STEPHEN SUTTON AS VICE CHANCELLOR – STUDENT AFFAIRS, BERKELEY CAMPUS AS DISCUSSED IN CLOSED SESSION

The Committee recommended approval of the following items in connection with the market-based salary adjustment for Stephen Sutton as Vice Chancellor – Student Affairs, Berkeley campus:

A. Per policy, a market-based salary adjustment of 10.3 percent, increasing Mr. Sutton’s annual base salary from $308,159 to $340,000, as Vice Chancellor – Student Affairs, Berkeley campus, at 100 percent time.

B. Per policy, continuation of standard pension and health and welfare benefits and standard senior management benefits, including continuation of eligibility for senior management life insurance and executive salary continuation for disability (will be eligible and vested after five or more consecutive years of Senior Management Group service).

C. Per policy, continued eligibility to participate in the UC Employee Housing Assistance Program, subject to all applicable program requirements.
D. Mr. Sutton will continue to comply with the Senior Management Group Outside Professional Activities (OPA) policy and reporting requirements.

E. This action will be effective August 1, 2021.

The compensation described above shall constitute the University’s total commitment until modified by the Regents, President, or Chancellor, as applicable under Regents policy, and shall supersede all previous oral and written commitments. Compensation recommendations and final actions will be released to the public as required in accordance with the standard procedures of the Board of Regents.

[Background material was provided to Regents in advance of the meeting, and a copy is on file in the Office of the Secretary and Chief of Staff.]

Interim Vice President Lloyd introduced this item, a market-based salary adjustment for Stephen Sutton as Vice Chancellor – Student Affairs, Berkeley campus. The campus was requesting an increase of 10.3 percent, increasing Mr. Sutton’s annual base salary from $308,159 to $340,000, effective August 1, 2021. The proposed base salary was 4.5 percent above the 90th percentile of the position’s Market Reference Zone, or $325,300; therefore, the action required Regental approval.

Upon motion duly made and seconded, the Committee approved the recommendation and voted to present it to the Board, Regents Cohen, Drake, Elliott, Estolano, Leib, Park, Reilly, and Sherman voting “aye.”

5. AMENDMENT OF CERTAIN BYLAWS AND AMENDMENT AND RESCISSION OF CERTAIN STANDING ORDERS AND POLICIES ON PERSONNEL MATTERS, AND ADOPTION OF BYLAW ON OFFICERS OF THE UNIVERSITY AND POLICY ON SERVICE OBLIGATIONS AND LEAVES OF ABSENCE

The President of the University recommended that the Regents:

A. Rescind the following Standing Orders pertaining to personnel matters: Standing Orders 100.1 – Officers of the University, 100.2 – Employment Status, 100.3 – Compensation, 100.4(c), 100.4(d), 100.4(e), and 100.4(dd)(4) – Duties of the President, 100.5 – Duties of the Vice Presidents, 100.7 – Duties of Other Officers of the University, 101.1(c) – Employment Status, 101.1(e) – Employment Status, 103.1 – Service Obligations, 103.4 – Sabbatical Leaves, 103.8 – Death Benefit, and 120 – Retirement Systems, following service of appropriate notice, as shown in Attachment 2.

B. Rescind the following Standing Orders that were previously incorporated into the Bylaws or Committee Charters: Standing Orders 100.4(a), 100.4(f), 100.4(g), 100.4(h), 100.4(i), 100.4(j), 100.4(k), 100.4(l), 100.4(n), 100.4(s), 100.4(t), 100.4(u), 100.4(v), 100.4(w), 100.4(dd)(2), 100.4(dd)(3), 100.4(dd)(5), 100.4(ii), 100.4(mm), 100.4(oo), 100.4(pp), and 100.4(rr) – Duties of the President; 100.6 –
Duties of the Chancellors; 101.1(a), 101.1(b), and 101.1(d) – Employment Status; 103.2 – Privilege of Hearing Before the Academic Senate and 103.9 – Tenure; and 105.1(b), 105.1(c), 105.2(a), 105.2(b), 105.2(d), and 105.2(e) – Academic Senate following service of appropriate notice, as shown in Attachment 3.

C. Amend Bylaws 22.2 – Authority of the Board/Specific Reservations, 23.5 – Authority and Duties of Principal Officers, 30 – President of the University, and 31 – Chancellors, following service of appropriate notice, as shown in Attachment 4.

D. Adopt Bylaw 32 – Officers of the University, following service of appropriate notice, as shown in Attachment 5.

F. Adopt a Regents Policy on Service Obligations and Leaves of Absence, as shown in Attachment 7.

[Background material was provided to Regents in advance of the meeting, and a copy is on file in the Office of the Secretary and Chief of Staff.]

Executive Vice President and Chief Operating Officer Nava introduced this item, a set of proposed amendments to the Standing Orders and Regents Policies regarding personnel matters. This item was part of an ongoing effort to review the University’s governing documents as a best practice in governance. This effort had begun in 2016, when the Regents adopted new Bylaws and Committee Charters, and committed to streamlining the University’s governing documents by eliminating the Standing Orders. Part of the rationale for adopting the new Bylaws was modernization; the existing Bylaws had been adopted in 1969. The new Bylaws reflected a larger, more complex University. Another goal was to articulate the areas over which the Regents determined that it was important to retain authority, and to provide a broad delegation of authority to the President of the University as the University’s chief executive officer, with full authority over the administration of the University, except for areas delegated to Principal Officers and to the Academic Senate.

The Regents Policies and Standing Order provisions in several areas, including Board operations, capital projects, and investments, had already been presented to the Board at prior meetings for disposition to appropriate places in the governing documents. Personnel-related matters were now being presented, and Ms. Nava anticipated that further items would be presented to the Board until all the Standing Orders had been eliminated. The
goals of the proposed amendments related to personnel matters were to move Standing Orders that expressed essential principles to the Bylaws, Committee Charters, or Regents Policies, to move provisions that were operational to Presidential Policy, and to rescind those that were obsolete or specified details that were encompassed by the principles articulated by the Bylaws or Regents Policies.

The Standing Orders related to personnel were complex, with interwoven provisions addressing staff, faculty, administrators, and Principal Officers of the Regents. A working group was formed, including representatives of Systemwide Human Resources, Academic Personnel, the Academic Senate, the Office of the General Counsel, and the Office of the Secretary and Chief of Staff to the Regents to work through the provisions and propose amendments. The working group aimed to maintain policy as much as possible without making substantive changes.

There were three sections in which substantive changes were being proposed. First, the item recommended a more narrowly defined category of Officers of the University, which would better reflect the current administrative structure and accountability for University affairs at the highest level of the organization. Currently, Officers of the University were defined as not only the most senior leaders, but also assistant and associate vice presidents, and all vice chancellors; this was a very large group. The new proposed definition would limit this category to Senior Management Group (SMG) Level One members.

Second, the item recommended establishment of a new Regents Policy on Service Obligations and Leaves of Absence, which would clarify ambiguities and in some cases reconcile inconsistent provisions that had accumulated in the governing documents over time. The new policy would make senior leadership subject to the same leave of absence policy as all other employees; however, the Regents would retain authority over any exceptions to policy for SMG members.

Third, the item recommended moving Regents Policy 7706, Reemployment of UC Retired Employees, into Presidential Policy since it applied to all staff employees, not just SMG members, and was more appropriately classified as Presidential Policy. Reemployment into SMG positions would still require approval by the Regents, consistent with the threshold for regular appointment and compensation actions. In addition, the item proposed the elimination of a number of unrelated Standing Order provisions which had already been fully incorporated into the Bylaws but were not rescinded at that time. Ms. Nava underscored that these amendments would not change the authority of the Regents, the President, the chancellors, or the Academic Senate. The proposed amendments reflected what the Regents had approved in 2016 and aimed to streamline the provisions regarding personnel.

Committee Chair Estolano requested clarification of the hierarchy of Regents Policies, Standing Orders, Bylaws, and Committee Charters. General Counsel Robinson responded that this was set forth in Bylaw 13, Governing Documents: Order of Precedence. The order of precedence was Bylaws, followed by Committee Charters, followed by Policies. Bylaw 13 did not make reference to Standing Orders, but Mr. Robinson believed that the order of
precedence had traditionally been: Bylaws, Committee Charters, Standing Orders, Regents Policies, Presidential Policies, and policies delegated by the President to the chancellors.

Regent Park asked about the rationale for elimination of the Standing Orders. Mr. Robinson responded that, when the Regents examined this matter in 2016, they found that it did not make sense to have three tiers of policy. It seemed a best practice or better governance to have a broad statement of policy reflected in the Bylaws, while Regents Policies would be more detailed. There did not seem to be a need for yet another tier of policies beyond that.

Regent Park asked how Standing Orders, when they were instituted, were distinguished from Regents Policies. Mr. Robinson responded that Bylaws were generally at the Regental level, while the Standing Orders specified the authority of the President. Policies were adopted by the Regents in governance of the University. Secretary and Chief of Staff Shaw explained that, in 1969, when the Bylaws and Standing Order were created as a package, a two-thirds vote was required to amend the Bylaws. Amending the Standing Orders was also more difficult than amending a Regents policy or action. Managing Counsel Maria Shanle stated her understanding that the Standing Orders provided a detailed list of the powers of the President. Part of the rationale for eliminating the Standing Orders and moving into Bylaws, Committee Charters, and Policies was the fact that the 2016 Bylaws had elevated the status of the President’s authority into the Bylaws. This authority was discussed in detail in Bylaw 30.

Regent Park asked about the approval threshold for Standing Orders. Ms. Shanle responded that Standing Orders required a vote over two meetings and a supermajority, a majority of all sitting Regents, rather than all Regents present at a meeting. Approval of Bylaws required two meetings and a two-thirds supermajority vote.

Regent Park asked if the recommendation to eliminate the Standing Orders in their entirety over time was based on the fact that the President’s authority had been moved to and articulated in the Bylaws in 2016. Ms. Shanle responded that the 2016 directive regarding the Standing Orders came from the Board leadership, in consultation with the President. Ms. Nava recalled that other Standing Order rescissions had been presented to the Board. This package of proposed amendments had taken some time to develop due to the complexity of personnel provisions in the governing documents.

Regent Park referred to background materials provided in two other attachments and requested clarification of Standing Order language in those attachments. Regents Analyst Clare Sheridan explained that these two attachments captured changes that had been made in 2016, when portions of the Standing Orders were elevated into the Bylaws. This material was developed for the Academic Senate, the chancellors, and the President in order to show precisely what the language of the Standing Orders was, and how this language was moved into or somewhat paraphrased in the Bylaws. The Academic Senate, the chancellors, and the President had concerns about capturing the concept and intent of their authority in the Bylaws. These two attachments had been provided for information only as a reminder of the changes made in 2016.
In response to another question by Regent Park, Ms. Sheridan explained that, in 2016, it was anticipated that the Standing Orders would be rescinded all at once. This did not happen.

Upon motion duly made and seconded, the Committee approved the President’s recommendation and voted to present it to the Board, Regents Cohen, Drake, Elliott, Estolano, Leib, Park, Reilly, and Sherman voting “aye.”

The meeting adjourned at 5:10 p.m.

Any action taken pursuant to sections (s) and (t) above shall conform to established University programs and policies and shall not constitute a commitment requiring expenditures in excess of budgeted items.

The President is authorized, after consultation with the General Counsel, to return to the donor all or any unused portion of a gift of personal property, when the purposes of the gift have been fulfilled or fulfillment has become impossible or impracticable and when alternative uses are precluded.

III. POLICY TEXT

A. Scope

Retired Employees may be reemployed by the University in accordance with the provisions of this policy, which incorporates requirements developed [1] to address legal concerns regarding preservation of the tax-qualified status of the University of California Retirement Plan (UCRP) as described in Section B., below and [2] to address the University’s concerns
B. IRS Restrictions for Preserving the Tax-Qualified Status of UCRP

The Internal Revenue Code imposes restrictions on the timing of the distribution of benefits to participants in defined benefit plans such as UCRP. Generally, payments are permitted when an employee retires or attains normal retirement age. Otherwise, retirement benefits should remain in the plan so they will be available to provide support to participants after they cease working. Failure to satisfy the distribution timing restrictions could disqualify the plan, which could cause the vested benefits of UCRP members to become immediately taxable.

If an employee retires before reaching the normal retirement age under a pension plan, the Internal Revenue Service (IRS) may question whether the employee’s retirement is a true separation from service or a strategy to access retirement funds that otherwise would not be available to the employee.

Normal retirement age under UCRP means age 50 with a minimum of 5 years of service credit for Safety members and age 60 with a minimum of 5 years of service credit for all other members. Once an employee attains normal retirement age, the IRS no longer is concerned about an employee’s access to retirement funds because those funds were intended to be available at that age.

The following factors support a determination that a true separation from service has occurred for an employee who has not reached normal retirement age:

- The employee and the employer did not engage in discussions regarding reemployment before the employee’s separation from service. The IRS has singled out this factor as critical to support the occurrence of a true separation. Therefore, for employees who have not reached normal retirement age, discussions about reemployment are prohibited until after the employee has received his or her first monthly payment or lump sum cashout or 30 days after separation, whichever is later. (For employees who have reached normal retirement age, discussions about reemployment prior to actual separation are not prohibited.)
- The length of the break in service before reemployment is reasonable
- Both the employer and the employee intended that a separation from service occur and that it be permanent
- Upon separation from service, the employee surrendered something of value, such as seniority rights or access to benefits available only to active employees
- The employer processed the employee as if he or she were separating from service. For example, a COBRA election or information on retiree health insurance coverage was provided to the employee upon separation, or benefits not available to anyone other than active employees were terminated, or a separation date was entered into the payroll/personnel system
- The employee is reemployed into a position that requires different skills from those used in his or her prior position or is with a different department or supervisor
- The employee was employed by an unrelated employer prior to reemployment

C. University Policy Restrictions

The following restrictions on the reemployment of Retired Employees are based on University policy which has been developed to reflect responsible stewardship of the University related to the perception of individuals drawing a retirement benefit and another
UC income simultaneously, and to provide public accountability, transparency, and sound succession planning. Individuals receiving UCRP monthly retirement income who are reemployed into career appointments and suspend their monthly retirement payments are exempted from complying with certain restrictions as delineated in Section 5 below.

1. **University Need**

Reemployment must be as a result of University need, such as the Retired Employee possesses skills and institutional knowledge that the hiring department cannot otherwise obtain with equal cost effectiveness; the hiring department anticipates a prolonged process for hiring a replacement; or the hiring department anticipates that the Retired Employee will assist a replacement to acquire necessary skills and knowledge.

For situations in which a Retired Employee is reemployed on a temporary basis into a career position (such as the same position held before retirement or another vacant career position), the job must be posted and a search begun within 30 days of the vacancy being created and a minimum 30-day recruitment period must be held.

Written documentation on University need must be provided for all reemployment actions, including specification of the duration of the appointment in order to support the existence of University need.

2. **Break in Service**

A Retired Employee must not be reemployed until there has been a break in service of at least 30 days, but preferably 90 days. The break in service restriction is not required to preserve the tax-qualified status of UCRP if the Retired Employee has reached normal retirement age at the time of separation from service; however, this policy requires that the break in service restriction be applied to all Retired Employees. In addition, employees who have not reached normal retirement age must not engage in discussions concerning reemployment until after they have received their first monthly payment or lump sum cashout or 30 days after separation, whichever is later.

3. **Appointment Percentage**

Due to potential Medicare complications and to minimize situations where individuals draw a retirement benefit and another UC income simultaneously, this policy requires that Retired Employees be reemployed with an appointment of no more than 43% during any 12-month period. Appointments may not normally exceed 12 months. Appointments in excess of 43% time may be approved in accordance with Section IV.C. or Section IV.D. of this policy as appropriate. Extensions beyond 12 months may be approved in accordance with Section IV.C. or Section IV.D. of this policy as appropriate. Appointments at 43.75% time or more provide eligibility to Retired Employees for UC-sponsored employee medical coverage, which makes Medicare become the secondary payer.

It is the intent of this policy that Retired Employees be reemployed with limited appointments that do not qualify them for active employee health and welfare benefits, regardless of whether the Retired Employee has elected monthly retirement income or a lump sum cashout.

Appointment at no more than 43% also ensures that Retired Employees who elected monthly retirement income are reemployed with limited appointments and do not become active members in UCRP.
4. Duration of Reemployment
Reemployment in one or multiple positions must not exceed a total of 12 months. If reemployment is necessary after 12 months has expired, the request must be approved in accordance with Section IV.C. or Section IV.D. of this policy as appropriate.

5. Reemployment into Career Appointments
A Retired Employee who is receiving UCRP monthly retirement income, but agrees to suspend the payments, may be reemployed into a career appointment subsequent to an appropriate recruitment and break in service, and is not subject to the policy restrictions in Sections 1, 3 and 4 above, but is subject to Section 2.
A Retired Employee who took a lump sum cashout may not be reemployed into a career appointment and is subject to Sections 1, 2, 3 and 4 above.

D. Reporting Requirements and Disclosure
1. Reporting Requirements
For each Retired Employee reemployed into a staff position, the locations must submit a completed UCRP Retired Employee Election Form (not required for Retired Employees who received a lump sum cashout) to the Vice President – Human Resources at the time the Retired Employee is reemployed.
In addition, the locations must submit a summary report semi-annually by June 30 and December 31 of each year to the Vice President – Human Resources that incorporates a list of all reemployed Retired Employees, with identification of appointments greater than 43% within a 12-month period and appointments for which other types of variations from policy have been approved, and provide documentation that required approvals were obtained.

2. Disclosure
In accordance with University policy, individuals inside or outside the University are entitled to have access to information in employees’ personnel records in conformance with State of California statutes and University records policies. The Executive Officer is to establish procedures for the release of information. Examples of information which is public information and is to be released upon request include name, current salary, retirement compensation, and appointment type.

IV. APPROVAL AUTHORITY

A. Implementation of the Policy
The Vice President – Human Resources is the Responsible Officer for this policy and has the authority to implement the policy.
