

The Regents of the University of California

COMPLIANCE AND AUDIT COMMITTEE

September 17, 2025

The Compliance and Audit Committee met on the above date at the UCSF Mission Bay Conference Center, San Francisco campus.

Members Present: Regents Anguiano, Batchlor, Brooks, Cohen, Leib, Makarechian, and Park; Ex officio member Reilly; Advisory member Palazoglu; Chancellors Gillman, Hawgood, and Larive; Staff Advisors Frías and Hanson

In attendance: Regents Komoto, Milliken, Sarris, and Wang, Regents-designate Craven, Melton, and Tokita, Faculty Representative Scott, Secretary and Chief of Staff Lyall, General Counsel Robinson, Chief Compliance and Audit Officer Bustamante, Provost Newman, Executive Vice President and Chief Financial Officer Brostrom, Executive Vice President and Chief Operating Officer Nava, Executive Vice President Rubin, Senior Vice President Turner, Vice President Kao, Chancellors Assanis, Hu, Lyons, May, and Muñoz, and Recording Secretary Johns

The meeting convened at 3:45 p.m. with Committee Vice Chair Anguiano presiding.

1. APPROVAL OF MINUTES OF PREVIOUS MEETING

Upon motion duly made and seconded, the minutes of the meeting of July 16, 2025 were approved, Regents Anguiano, Batchlor, Brooks, Cohen, Leib, Makarechian, Park, and Reilly voting “aye.”¹

2. UNIVERSITY OF CALIFORNIA COMPLIANCE WITH STATE ASSEMBLY BILL 481

The President of the University recommended approval of the UC military equipment use policy in Attachment 1 and the annual report on military equipment inventory in Attachment 2, including requested equipment, to comply with California Assembly Bill 481.

[Background material was provided to Regents in advance of the meeting, and a copy is on file in the Office of the Secretary and Chief of Staff.]

Regent Leib requested clarification regarding the fact that the University would not be purchasing equipment from the U.S. military. Systemwide Director of Community Safety Jody Stiger confirmed that this was the case. State Assembly Bill 481 mandated that UC

¹ Roll call vote required by the Bagley-Keene Open Meeting Act [Government Code §11123(b)(1)(D)] for all meetings held by teleconference.

report annually any purchases of military equipment. At this time, UC police departments were only purchasing equipment that had been previously approved by the Regents.

Regent Brooks referred to requests for new equipment. She asked if this was replenishment of items the campuses already had. Executive Vice President and Chief Operating Officer Nava responded that the statute required the University to report any replenishment of equipment, such as rounds of ammunition used for training, and any new materials. One of the requests was a drone purchase at one campus, and the Regents have already approved drone purchases for other campuses.

Regent Brooks requested confirmation that no new categories or types of items were being requested at this time that have not yet been used on any campus. Mr. Stiger responded in the affirmative.

Upon motion duly made and seconded, the Committee approved the President's recommendation and voted to present it to the Board, Regents Anguiano, Batchlor, Brooks, Cohen, Leib, Makarechian, Park, and Reilly voting "aye."

3. **APPOINTMENT OF THE REGENTS' EXTERNAL AUDITOR**

The President of the University recommended that the Regents approve KPMG as the Regents' external auditor for a five-year term.

[Background material was provided to Regents in advance of the meeting, and a copy is on file in the Office of the Secretary and Chief of Staff.]

Committee Vice Chair Anguiano recalled that the University's contract with its current external auditor would expire in 2026.

Associate Vice President and Systemwide Controller Barbara Cevallos explained that the University's contract with PricewaterhouseCoopers would end with the fiscal year 2025 audit, which was currently in progress. The University conducted a competitive bidding process for selecting an external auditor. Six firms submitted bids. The selection committee was made up of 22 cross-functional representatives from the campuses, medical centers, campus foundations, and the Office of the President. The process began about four months prior. The selection committee evaluated firms based on established criteria and recommended KPMG to the project sponsor. The Request for Proposal process included virtual site visits, written proposals, and finalist presentations. KPMG received the highest score overall for its written proposal, oral presentation, and proposed fees. The total fee over five years would represent savings of over \$8 million compared to the incumbent audit firm. KPMG has committed to holding to this fee for the term of the contract. Further due diligence included reference checks.

Committee Vice Chair Anguiano noted that a rigorous due diligence process had been put in place and thanked Ms. Cevallos and her colleagues for this rigor.

Upon motion duly made and seconded, the Committee approved the President's recommendation and voted to present it to the Board, Regents Anguiano, Batchlor, Brooks, Cohen, Leib, Makarechian, and Reilly voting "aye."

The meeting adjourned at 3:55 p.m.

Attest:

Secretary and Chief of Staff

University of California [campus] Police Department

UC [campus] PD Policy Manual

Military Equipment

1.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the approval, acquisition, and reporting requirements of military equipment (Government Code § 7070; Government Code § 7071; Government Code § 7072).

1.1.1 DEFINITIONS

Definitions related to this policy are set forth by Government Code § 7070:

Governing body – The elected or appointed body that oversees the Department.

Military equipment – Includes:

- Unmanned, remotely piloted, powered aerial, or ground vehicles.
- Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers.
- High mobility multipurpose wheeled vehicles (HMMWV), two-and-one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached.
- Tracked armored vehicles that provide ballistic protection to their occupants.
- Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
- Weaponized aircraft, vessels, or vehicles of any kind.
- Battering rams, slugs, and breaching apparatuses that are explosive in nature. This does not include a handheld, one-person ram.
- Firearms and ammunition of .50 caliber or greater, excluding standard-issue shotguns and standard-issue shotgun ammunition.
- Specialized firearms and ammunition of less than .50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code § 30515, with the exception of standard-issue firearms.
- Any firearm or firearm accessory that is designed to launch explosive projectiles.
- Noise-flash diversionary devices and explosive breaching tools.
- Munitions containing tear gas or OC, excluding standard, service-issued handheld pepper spray.
- TASER® Shockwave, microwave weapons, water cannons, and long-range acoustic devices (LRADs).
- Kinetic energy weapons and munitions.
- Any other equipment as determined by a governing body or a state agency to require additional oversight.

Military Equipment

1.2 POLICY

It is the policy of the University of California [campus] Police Department that members of this Department comply with the provisions of Government Code § 7071 with respect to military equipment.

1.2.1 COMPLIANCE PROCEDURE

The University of California [campus] Police Department will ensure that all Department members comply with this policy and the policies that govern the use of equipment defined as military equipment. The UC [campus] Police Department shall conduct an annual audit. The Chief of Police or their designee will be notified of any policy violation(s). If needed, the violation(s) will be referred to an internal complaint investigation and handled according to UC [campus] Police Department's Personnel Complaint policy. All instances of non-compliance will be reported to the UC Board of Regents as part of the annual military equipment report.

Any member of the public can register a complaint, question, or a concern regarding military equipment use by sending their question via email to [campus email address]. The Chief of Police or their designee will respond in a timely manner.

1.3 MILITARY EQUIPMENT COORDINATOR

The Chief of Police should designate a member of this Department to function as the military equipment coordinator. The responsibilities of the military equipment coordinator include but are not limited to:

- (a) Acting as liaison to the governing body for matters related to the requirements of this policy.
- (b) Identifying Department equipment that qualifies as military equipment in the current possession of the Department or the equipment the Department intends to acquire that requires approval by the governing body.
- (c) Conducting an inventory of all military equipment at least annually.
- (d) Collaborating with any other law enforcement agencies that may use military equipment within the jurisdiction of the University of California [campus] Police Department (Government Code § 7071).
- (e) Preparing for, scheduling, and coordinating the annual community engagement meeting to include:
 1. Publicizing the details of the meeting.
 2. Preparing for public questions regarding the Department's funding, acquisition, and use of equipment.
- (f) Preparing the annual military equipment report for submission to the Chief of Police and ensuring that the report is made available on the Department website (Government Code § 7072).

University of California [campus] Police Department

UC [campus] PD Policy Manual

Military Equipment

1.4 MILITARY EQUIPMENT INVENTORY

The following constitutes a list of qualifying equipment for the UC Police Departments:

[See attachment UC Police Military Equipment Inventory.pdf](#)

1.5 APPROVAL

The Chief of Police or the authorized designee shall obtain approval from the governing body by way of an ordinance adopting the military equipment policy (Government Code § 7071(a)(1)).

As part of the approval process, the Chief of Police or the authorized designee shall ensure the proposed military equipment policy is submitted to the governing body and is available on the Department website at least 30 days prior to any public hearing concerning the military equipment at issue (Government Code § 7071(b)).

The military equipment policy must be approved by the governing body prior to engaging in any of the following (Government Code § 7071(a)):

- (a) Requesting military equipment made available pursuant to 10 U.S.C. § 2576a.
- (b) Seeking funds for military equipment, including but not limited to applying for a grant, soliciting, or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.
- (c) Acquiring military equipment either permanently or temporarily, including by borrowing or leasing.
- (d) Collaborating with another law enforcement agency in the deployment or other use of military equipment within the jurisdiction of this Department.
- (e) Using any new or existing military equipment for a purpose, in a manner, or by a person not previously approved by the governing body.
- (f) Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of military equipment.
- (g) Acquiring military equipment through any means not provided above.
- (h) This approval is intended to permit the Department to maintain the quantities of military equipment at the quantities that were last approved by the governing body. Accordingly, the Department can engage in any of the activities listed in 905.6(a)-(g) without seeking additional approval as long as the Department does not exceed the pre-approved quantity.
- (i) **MILITARY EQUIPMENT USE CONSIDERATIONS**
 - (a) The military equipment acquired and authorized by the Department is (Government Code § 7071(d) (1)):
 1. Necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety.
 2. The military equipment use policy will safeguard the public's welfare, safety, civil rights, and civil liberties.

University of California [campus] Police Department

UC [campus] PD Policy Manual

Military Equipment

3. Reasonably cost-effective compared to available alternatives, if any, that can achieve the same objective of officer and civilian safety.
4. Military equipment shall only be used by a Department employee only after applicable training, including any course required by the Commission on Peace Officer Standards and Training, has been completed, unless exigent circumstances exist.

1.6 COORDINATION WITH OTHER JURISDICTIONS

Military equipment used by any member of this jurisdiction shall be approved for use and in accordance with this Department policy. Military equipment used by other jurisdictions that are providing mutual aid to this jurisdiction shall comply with their respective military equipment use policies in rendering mutual aid. Situations may arise where the Department may deploy or use military equipment, as defined, owned by other law enforcement agencies. The Department hereby adopts the military equipment use policy as is approved, and may be amended from time to time, under Government Code section 7070 et seq., for jurisdictions that the Department may engage with to provide mutual aid. This section is in no way a limitation to the ability of the Department to deploy or use the military equipment of another jurisdiction.

1.7 ANNUAL REPORT

Upon approval of a military equipment policy, the Chief of Police or the authorized designee should submit a military equipment report to the governing body of each type of military equipment approved within one year of approval and annually thereafter for as long as the military equipment is available for use (Government Code § 7072).

The Chief of Police or the authorized designee should also make each annual military equipment report publicly available on the Department website for as long as the military equipment is available for use. The report shall include all information required for the preceding calendar year for each type of military equipment in the Department inventory (Government Code § 7072).

The annual military equipment report shall, at a minimum, include the following information for the immediately preceding calendar year for each type of military equipment:

- (a) A summary of how the military equipment was used and the purpose of its use.
- (b) A summary of any complaints or concerns received concerning military equipment.
- (c) The results of any internal audits, any information about violations of the military equipment use policy, and any actions taken in response.
- (d) The total annual cost of each type of military equipment, including acquisition, personnel training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the military equipment in the calendar year following submission of the annual military equipment report.
- (e) The quantity possessed for each type of military equipment.
- (f) If the law enforcement agency intends to acquire additional military equipment in the next year, the quantity sought for each type of military equipment.

University of California [campus] Police Department

UC [campus] PD Policy Manual

Military Equipment

1.8 COMMUNITY ENGAGEMENT

Within 30 days of submitting and publicly releasing the annual report, the Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which the general public may discuss and ask questions regarding the annual military equipment report and the law enforcement agency's funding, acquisition, or use of military equipment (Government Code § 7072(b)).

Assembly Bill 481 (AB 481)

Prepared by:

UC COUNCIL OF CHIEFS OF POLICE

SEPTEMBER 2025

UC POLICE DEPARTMENT ANNUAL REPORT 2025 OF MILITARY EQUIPMENT

University of California Police Department Policy “Military Equipment” requires an annual report to be submitted to the Regents on an annual basis and posted on the police department website for as long as the equipment is in use.

Annual Report

Upon approval of a military equipment policy, the Chief of Police or the authorized designee should submit a military equipment report to the governing body of each type of military equipment approved within one year of approval and annually thereafter for as long as the military equipment is available for use (Government Code § 7072).

The Chief of Police or the authorized designee should also make each annual military equipment report publicly available on the Department website for as long as the military equipment is available for use. The report shall include all information required for the preceding calendar year for each type of military equipment in the Department inventory (Government Code § 7072).

The annual military equipment report shall, at a minimum, include the following information for the immediately preceding calendar year for each type of military equipment:

- (a) A summary of how the military equipment was used and the purpose of its use.*
- (b) A summary of any complaints or concerns received concerning military equipment.*
- (c) The results of any internal audits, any information about violations of the military equipment use policy, and any actions taken in response.*
- (d) The total annual cost of each type of military equipment, including acquisition, personnel training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the military equipment in the calendar year following submission of the annual military equipment report.*
- (e) The quantity possessed for each type of military equipment.*
- (f) If the law enforcement agency intends to acquire additional military equipment in the next year, the quantity sought for each type of military equipment.*

A. How Used and Purpose of Use

All campuses train annually on their equipment which requires the use of ammunition where applicable. The following campuses deployed equipment in a non-training setting:

- UC Davis (UCD) deployed drones 11 times for patrol and special events.
- UC Los Angeles (UCLA) deployed the following:
 - Approximately 240 PepperBall Pava Powder projectiles were used during an incident involving an aggressive crowd. None of these rounds were aimed at individuals and there were no reports of these rounds directly impacting any person.
 - The Long Range Acoustic Device (LRAD) equipment for crowd management was used approximately 71 times during incidents.
 - One Def-Tec 40mm eXact Impact Munition Model #6325 was used during an arrest when a suspect put their hand near a police officer's firearm.
- UC Santa Cruz (UCSC) used the LRAD equipment for crowd management.

B. Complaints or Concerns

UC Berkeley (UCB), UCD, UC Merced (UCM), UC San Diego (UCSD), UC San Francisco (UCSF), UC Santa Barbara (UCSB), and UCSC Police Departments received no complaints or concerns during the fiscal year regarding the purchase or use of military equipment or the military equipment policy.

UC Irvine (UCI) received one complaint after the publication of last year's annual report, following the public AB 481 meeting held on August 28, 2024. The 2024 annual report was subsequently updated to include the complaint.

UCLA received three complaints related to incidents involving the use of AB 481 equipment. UCLA was not the agency that deployed the equipment in those incidents.

UC Riverside (UCR) received several complaints from community members related to its AB 481 inventory during its annual public meeting. The complaints centered around the possession of military equipment, not a particular item in its inventory or deployment.

C. Internal Audits

All campuses conducted audits of their military equipment and there were no violations of the policy found.

D. Total Costs and Funding Source – Fiscal Year 2025-2026

UCD, UCM, UCR, UCSF, UCSB and UCSC did not purchase any new military equipment during this fiscal year.

The chart below details purchases made by campuses.

Campus	Purchased	Amount
UC Berkeley	Winchester Ammo Remington .223	\$4,470.00
	Hornady 80625 Ammo Remington .223	\$1,422.00
UC Irvine	Ammo	\$7,576.12
UCLA	(2) PepperBall VK-SBL Pro launchers	\$2,762.00
	(5) 375 PepperBall Live-X Pava Powder Projectiles	\$1,244.00
	(50) 20 PepperBall YXR Live-X Pava Powder Projectiles	\$4,360.00
UC San Diego	(3) Def-Tec 40mm launchers	\$5,190.00

* UCSB corrected inventory amount from 2024
 **UCM corrected model number of rifles, total quantity has not changed

Legend	
Black Ink	Current Inventory
Red Ink	Request for approval for new equipment
Blue Ink	Requests to add additional equipment to existing inventory
Green Ink	Removed from inventory
Purple Ink	Pending delivery from manufacturer

Inventory Corrections

- UCSB corrected previously reported inventory count of munitions from 19,500 to 21,500.
- UCM corrected previously reported rifles with the correct model number. The total count has not changed.

F. Request for New Military Equipment

UCB, UCD, UCM, UCR, and UCSC do not request new equipment. UCI, UCLA, UCSB, UCSD, UCSF are requesting the following inventory:

Request For Category 1 - Unmanned, Remotely Piloted, Powered Aerial Or Ground Vehicles—The Use Of Drones By University Of California Police Departments

UCSD is requesting to purchase two (2) unmanned aerial vehicles/systems (drones) to assist with patrol operations and special event safety. UCB, UCLA, UCSC and UCSF previously requested to purchase drones and are working on a systemwide purchase contract for the best pricing.

UCB continues to research robot platforms from the 2024 request.

Request For Category 10 – Specialized firearms and ammunition of less than .50 caliber, including assault weapons or greater, excluding standard-issue shotguns and standard-issue shotgun ammunition

UCSD is requesting to purchase 5,000 rounds of 5.56 patrol rifle ammunition at a cost of approximately \$3,300.00 to replenish rounds used during training.

Requests For Category 13 – Taser Shockwave, Microwave Weapons, Water Cannons, and Long Range Acoustic Devices

UCI is requesting to purchase an additional Long Range Acoustic Device to provide evacuation and dispersal directions at more than one location (UCI Campus and UCI Medical Centers).

(Continued on next page)

Requests For Category 14 – Kinetic Energy Weapons And Munitions

UCI is requesting to replenish (35) Def-Tec 40mm eXact iMpacT Munition for SRT members. In addition, requesting to purchase the following new equipment:

Type: PepperBall VK-SBL

Quantity: 5

Cost: Approximately \$1,481 each

Lifespan: No lifespan indicated by the manufacturer. Lifespan varies on operational usage and wear.

Capability: Can fire munitions with a maximum effective range of one hundred fifty (150) feet.

Manufacturer Description: The VK-SBL offers all the features of the VKS PRO™ in a lighter and smaller form factor. Able to deploy both .68 caliber round or long-range VXR™ projectiles, the VK-SBL has a shorter barrel, a 7-inch handguard, and a reflex sight. The VK-SBL easily adapts to different roles and situations, from routine patrols to specialized operations, while maintaining accuracy and control

Type: PepperBall PAVA Projectiles

Quantity: 1,000 rounds

Cost: Approximately \$1,000

Lifespan: Three years

Capability: Can fire munitions with a maximum effective range of one hundred fifty (150) feet.

Manufacturer Description: A powerful concentration of 5% PAVA powder. Excellent for direct impact, area saturation and crowd control approximately 150 feet.

Type: PepperBall Paint Marking Projectiles

Quantity: 500

Cost: Approximately \$2,200

Lifespan: Three years

Manufacturer Description: The VXR™ Marking™ projectile contains a paint solution that can be used to mark suspects for later apprehension and/or marking doors, openings, or objects for identification.

UCLA is requesting to increase existing inventory by the following amounts:

- Def-Tec 40mm eXact iMPact Munition Model #6325 by 100 rounds.
- Def-Tec/LMT 40mm Launcher by 5
- PepperBall VK-SBL Launcher by 4

UCM is waiting for delivery of previously requested and purchased equipment. Delivery is anticipated in 2025.

- Def-Tec 40mm launchers by 5
- Def-Tec Model #6324 eXact iMPact 40mm Sponge Round by 100

UCSB is requesting to increase existing inventory used during annual training:

- Def-Tec 40mm eXact iMPact Munition Model #6325 by 150

EXPIRED EQUIPMENT

All expired equipment will be stored out of use until safe disposal can be arranged.

UCSB has the following inventory that has reached the manufacturers expiration date. These items will be replaced with exact models using department funds. **Note:** Inventory will be reduced by one (1).

- Def-Tec 40mm Launcher Model #1625 by 7

UCSF has the following inventory that has reached the manufacturers expiration date. Some items will be replaced with exact models using department funds.

Replaced using department funds
