Guidelines

In fairness to all who wish to address the working group, each speaker must abide by the individual time limit allotted and announced at the convening of the session. At the end of the allotted time, each speaker will be asked to yield to the next one. The custom is to provide up to three minutes to each speaker. Three or more speakers may pool their time to provide up to seven minutes for a group representative. Depending on the number of those on the sign-up list, the amount of time per speaker may be reduced and there is no guarantee that all individuals who do sign up will be able to address the Regents.
