APPLICATION OF CALIFORNIA'S PANDEMIC ROADMAP TO UC DRAFT - FOR DISCUSSION AND PLANNING PURPOSES ONLY

This document is a planning tool designed to visually represent the applicability of currently available State of California pandemic roadmap guidelines to UC campus locations. These guidelines recommend a staged approach implementable on a county-by-county basis. The criteria for transitioning to the next stage will be met at the county and/or state level and is not intended to be met individually by each UC location. Local public health orders may supersede the guidance used to develop this planning tool and should be integrated into planning efforts accordingly. This is a "living document' and will be updated as additional guidance becomes available.

	ion via <u>statewide</u>				
modification to Stay-At-Home Order					
STAGE 1	STAGE 2	STAGE 3	STAGE 4		
SAFETY & PREPAREDNESS	LOWER RISK WORKPLACES	HIGHER RISK WORKPLACES	END STAY AT HOME		
STATE GUIDANCE					
Build out testing, contact tracing, PPE, and hospital surge capacity	Gradually reopen some lower risk workplaces with adaptations Expand Workforce Safety Net	Gradually reopen higher risk sections with adaptations and limits on size of gatherings	Reopen highest risk workplaces (i.e., concerts, convention centers, sporting events, etc.)		
Make essential workforce environment as safe as possible	Reopen schools and childcare facilities with adaptations	(Includes personal care sector, entertainment venues, and in- person religious services)	Requires therapeutics		
CUSTOMIZED TO UC ENVIRONMENT					
Develop plans for testing, contact tracing, and adequate PPE inventory; adequate hospital surge capacity available	Gradually resume some lower risk in- person campus activities including research with adaptations	Gradually resume higher risk in- person campus activities with adaptations and limits on size of gatherings	Resume highest risk campus activities (i.e., commencement ceremonies, performances/ concerts, sporting events, etc.)		
Plan for essential workforce and campus residence environment adaptations	Implement adaptations necessary to reopen K-12 and childcare facilities	(Includes close contact services, entertainment venues, and moderately sized in-person events)	Requires therapeutics		
READINESS CRITERIA FOR STAGE 2 Hospitalizations & ICU trends stable Hospital surge capacity to meet demand Sufficient testing capacity and PPE supply to meet demand Contact tracing capacity statewide					

APPLICATION OF CALIFORNIA'S PANDEMIC ROADMAP TO UC DRAFT - FOR DISCUSSION AND PLANNING PURPOSES ONLY

This matrix is a planning tool designed to visually represent the applicability of currently available State of California pandemic roadmap guidelines to UC campuses. Local public health orders may supersede the guidance used to develop this planning tool and should be integrated into planning efforts accordingly.

Campuses can use this matrix as a starting point to help organize local planning decisions. The information contained in the matrix is meant to be advisory not prescriptive and **should be edited** to reflect campus decision-making and local public health orders. Additional rows can be added to each functional area to better align with campus planning efforts.

PLANNING CONSIDERATIONS

- Travelers will need to adhere to CDC guidance regarding isolation following travel. Healthcare personnel are exempt from this requirement.
- Vulnerable individuals: Over 65 years of age and/or individuals with serious underlying health conditions, including high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune system is compromised.
- Members of households with vulnerable individuals should be aware that by returning to work or other environments where physical distancing is not practical, precautions should be taken to isolate from vulnerable residents at home.

	STAGE 1	STAGE 2	STAGE 3	STAGE 4
IEALTH AND SAFETY MEAS	SURES			
Physical Distancing	State stay-at-home order & local health orders	Maximize physical distancing	Maximize physical distancing	No restrictions
Vulnerable Populations	State stay-at-home order & local health orders	Continue stay-at-home	Continue stay-at-home	Resume public interactions with personal mitigation strategies
Face Coverings	Per local health order or as determined by campus	Require face coverings	Require face coverings	TBD by campus
Visitor Access	As determined by campus	TBD by campus	TBD by campus	TBD by campus
Symptom Screening	As determined by campus	TBD by campus	TBD by campus	TBD by campus
COVID+ Self-Reporting	As determined by campus	TBD by campus	TBD by campus	TBD by campus
Testing	As locally available	Under Review	Under Review	Under Review
Contact Tracing	Per local health authority	Under Review	Under Review	Under Review
Isolation/Quarantine Space	As determined by campus	TBD by campus	TBD by campus	TBD by campus
Add rows as needed				
NSTRUCTION & ACADEMIC	C FACILITIES			

	STAGE 1	STAGE 2	STAGE 3	STAGE 4		
Instruction (Classrooms/Lecture Halls)	Remote	TBD by campus	TBD by campus	In-person		
Labs/Studios	Closed	TBD by campus	TBD by campus	TBD by campus		
Libraries	Closed	TBD by campus	Open with strict physical distancing & enhanced cleaning; 50% capacity	Open at 100% capacity; routine cleaning		
Study Abroad	Suspended	Suspended	Dependent on CDC guidelines	Dependent on CDC guidelines		
Add rows as needed						
RESEARCH						
Campus Labs	Essential research only	Resume – partial with physical distancing & enhanced cleaning	Resume	Resume – full		
Campus Offices	Essential personnel only	Open if telework not an option	Open with adaptations	Open		
Field Research	Essential only	Resume with public health modifications and aligned with CDC/WHO travel restrictions	Continue with adaptations	Resume – full		
Add rows as needed						
STUDENT HEALTH / OCCUP	STUDENT HEALTH / OCCUPATIONAL HEALTH					
Non-Essential Care	Maximize telehealth modalities	Maximize telehealth modalities	Resume with adaptations	No restrictions		
Employee Symptom Screening	As determined by campus	TBD by campus	TBD by campus	TBD by campus		
Point of Entry Temperature Screening	As determined by campus	TBD by campus	TBD by campus	TBD by campus		
WORKFORCE						
Return to Work	Telework; only essential employees on-site	Continue telework; return to work with adaptations (if telework is not an option)	Phased return to work	No restrictions		
Special Accommodations	As determined	Strongly consider for vulnerable individuals	Strongly consider for vulnerable individuals	As needed		
Add rows as needed
