In order for the Laboratory to process your visitor's badge, LLNL will need certain personal information from you as required by the federal government, including your date and place of birth, home address, Social Security Number, and affiliation and work address.

To be considered for the tour, please contact the Secretary and Chief of Staff of your intent in advance of the meeting by calling (510) 987-9220 no later than 3:00 p.m. on September 11. You will need to provide your name, affirm that you are a U.S. citizen, and provide your affiliation.

Based on the numbers of requests received by the Regents Office, you will be notified that you may participate on the tour and provided with further instructions regarding LLNL badge requirements.

Badging will be handled exclusively by LLNL. Your participation on the tour is subject to LLNL's approval of your visitor's badge as required by the federal government. If you are not approved for a badge for whatever reason, you will not be able to participate on the tour and will be notified by LLNL.
